Younger Fry's Own Column

by AUNT CAROL

THE MAIL BOX

Dear Girls and Boys:

Well, here it is just three weeks since we started your very own part of this paper. And haven't we had a lot of fun!

Yes, we've heard a lot of our little juniors, but I want to know many more of you. So, juniors, won't you write me and send in your poems, short stories, recipes, games, adventure or other contributions for the Achievement Club? As soon as your name appears in Younger Fry, right then and there, that very minute, you become a member of the Achievement Club. And what jolly sport it's going to be! But, always remember to include your address, age, school and birthday in your letters, won't you?

Pretty soon now we're going to start on the long journey we talked about last week. Remember? And what do you think! We're going all the way 'round the world! And what a grand time we're going to have, too. But we do have to buy our tickets on the S. S. Imagination pretty soon. So, juniors, please don't delay in writing to me and thereby making your reservations.

And now to little Thelma Mastright of 1517 261st Street, Harbor City, I want to say thank you for your very nice letter. Yes, Thelma, you were right, It is courtesy, kindness and appreciation one to another that makes the Japanese homes so beautiful. And somehow I think that you know about it because you are that way in your own home. You were right, too, about the meaning of the French phrase, "R. S. V. P." Thank you for your nice letter, and please do write me again.

And to the little girl who signed herself simply "Churchie," and who says she lost her little Boston bull puppy and would like another one if any little junior has one to spare, I hope you get one. I am very fond of little dogs myself, and know how you feel when you lose them. Maybe some little junior does have an extra one, Churchie, and would be happy to see it get a good home as I'm sure you would give it. Thank you for your letter.

And now to little 6-year-old Tony Nitmar of Lomita, who says his mother reads the Torrance Herald and his daddy works in Los Angeles and who would like to learn how to play some new games, just you wait until next week! We'll have games galore for you, Tony. And I'm sure you won't mind if all the other little juniors learn how to play them too.

So, until next week then, remember to keep on writing and sending in your poems, stories and other contributions to "Younger Fry."

Lovingly,
AUNT CAROL.

JOLLY JUMBLES
(Unjumbled)

Billy Sherwood gets a great big sucker for figuring out the Jolly Jumbles for last week. The names were:

1—James Watt
2—David Livingstone
3—Sir Walter Scott

ACHIEVEMENT CLUB

The honorary name on our roll of honor for the Achievement Club today is that of Benjamin Franklin. He was born Jan. 17, 1706, juniors, and he was a wonderful Achiever. He did a lot of fine things that boys and girls should know about. Although he was not the wealthiest and most powerful man of his time, juniors, he was one of the greatest of our self-made men. He was the Edison of his day for he found out all about electricity and lightning.

Then he founded a fire department, assisted in founding a hospital, established a public library in Philadephia and the University of Pennsylvania, organized the postal system for the colonies which is the basis of our present post office system, and he was the only statesman to sign the Declaration of Independence and the Constitution. That's why, juniors, he has often been called the first real American. His was one of the wisest and most useful lives in our whole history. Maybe some of you girls and boys will be able to do things like that, too, some day. Wouldn't that be wonderful?

The second name on our roll of honor for today is little Jean Thompson who sent in a poem which she called "The Library of My Dreams." It appears below. And the third, fourth, fifth and sixth names are Betty Lou Bennett of Lomita, Thelma Mastright of Harbor City, Tony Nitmar and "Churchie."

Congratulations to all the little Achievers! Keep on achieving!

LIBRARY OF MY DREAMS

Just suppose a wonderful fairy
Would give me a corner upon this earth,
I'd make of it a wonderful library
Filled with books of history and mirth.
There'd be ever so many books for the young,
And plenty of books for the old;
Books that are written in every tongue,
And others that are pure gold.
It would be just a wee little speck;
And yet, how real it all seems—
But then I guess I mustn't forget,
It's just the library of my dreams.

JEAN THOMPSON,
8 years old.

JANUARY JOURNALISM . . .

Here's your chance, girls and boys, to try out your journalism! Of course, you all know that George Washington and Abraham Lincoln were born in February, don't you? So, suppose you write a 100-word essay on "Why I Would Like To Be Like George Washington and Abraham Lincoln." And the best essays received, juniors, will be printed in full in "Younger Fry." So, get busy now, junior journalists, and send in your essays.

Aid for Income Taxpayers Due Here In February

Those who annually have trouble in making out their state and Federal income tax forms should avail themselves of expert advice and free consultation at the Torrance Chamber of Commerce on four dates next month.

On Feb. 8 and 9 a deputy from the California state income tax bureau will be in Torrance to assist in completing the forms.

And on Feb. 27 and 28 a deputy collector will be at the chamber headquarters to assist residents in preparation of their Federal income tax returns for 1939.

To accommodate employees of the Columbia Steel Company and other workers who are employed in shifts, a deputy collector from the Federal Internal Revenue office in Los Angeles will be at the Torrance Chamber of Commerce from 4 to 10 p. m. on Feb. 27 and 28, according to word received this week from Archie N. Vance, chief field deputy for Collector Nat Rogan.

Sheriff's Officers Issuing 1940 Bike Licenses

The Vermont avenue station of the Sheriff's office at 10817 South Vermont now has the 1940 bicycle license plates on hand and is issuing them at schools in this district.

Each school is being visited by officers of the bicycle detail. License plate fee is 25 cents and there may be but one visit made to each school. Any pupil not availing himself of the opportunity of obtaining the license at the time the officers visit his school will be required to make the trip to the Vermont avenue station on a Saturday morning to obtain the license.

All bicycles used on public highways of the county must bear a valid 1940 license plate, sealed on. Failure to comply with this requirement is a violation of Los Angeles County Ordinance No. 3027, and constitutes a misdemeanor offense. For those not attending schools, they may obtain license plates at the Vermont avenue station on Saturday mornings, from 8 a. m. to 11 a. m.

MOVES TO WEST L. A.

W. J. Bell, who has operated the lunch fountain at the Lomita Drug for several years, has moved to West Los Angeles where he has leased a fountain.

Polio Victim Is Said Improving

Robert West of Bakersfield, son of Mr. and Mrs. H. M. West, is reported improving after a siege with infantile paralysis but is not able to walk yet. His many Lomita friends are hoping for complete recovery for the unfortunate young man.

Seek Oil from New Structure

Will oil drilling be successful on a different structure than hitherto tested in this area?

Oil men and people interested in oil development are watching with interest the beginning of this test at the southwest corner of Figueroa and Roosevelt highway.

The Vesta Petroleum Co. is pouring cement for the foundation of Palos Verdes No. 1 at this corner and plan to erect a steel derrick at once. The structure at this point is said to be in a line with the Rolling Hills well near the Vetter Ranch and if a good well is brought in by Vesta another oil boom is predicted in the south end of Harbor City, Lomita and Walteria.
