Sec. 8. DIVISIONS, SERVICES AND STAFF OF THE CIVIL DEFENSE AND DISASTER ORGANIZATION: The functions and duties of the Torrance civil defense and disaster organization shall be distributed among such divisions, services and special staff as the City Council shall prescribe by resolution.

The City Council shall concurrently with the adoption of this Ordinance adopt a Resolution setting forth the form of organization, establishment of such divisions and services, the assignment of functions, duties and powers, the designation of officers and employees. Insofar as possible, the form of organization, titles and terminology shall conform to the recommendations of the Federal government and the Civil Defense agency of the State of California.

Sec. 9. PUNISHMENT OF VIOLATIONS: It shall be a misdemeanor, punishable by a fine of not to exceed $500.00, or by imprisonment for not to exceed six months, or both, for any person during a disaster:

A. Willfully to obstruct, hinder or delay any member of the civil defense and disaster organization in the enforcement of any lawful rule or regulation issued pursuant to this Ordinance, or in the performance of any duty imposed upon him by virtue of this Ordinance;

B. To do any act forbidden by any lawful rules or regulations issued pursuant to this Ordinance, if such act is of such a nature as to give, or be likely to give assistance to the enemy, or to imperil the lives or property of inhabitants of this City, or to prevent, hinder or delay the defense or protection thereof;

C. To wear, carry or display, without authority, any insignia, means of identification specified by the civil defense and disaster agency of the State.

Sec. 10. REPEAL OF CONFLICTING ORDINANCES: Ordinance No. 438 is hereby repealed; provided, however, that it is the intent of the City Council in enacting this Ordinance that it shall be considered a revision and continuation of Ordinance No. 438, repealed by this Ordinance, and the status of volunteers shall not be affected by such repeal; nor shall civil defense and disaster mutual aid plans and agreements, rules and regulations or resolutions adopted pursuant to such repealed ordinance be affected by such repeal until amended, modified or superseded, as provided in this Ordinance.

Sec. 11. EFFECTIVE DATE: This Ordinance is hereby declared to be an emergency measure necessary for the immediate preservation of the public peace, health and safety, and shall take effect immediately. The following is a statement of the facts showing its urgency:

The National Security Resources Board of the Federal government has recently published its plan for the civil defense of the country. The State of California, acting in accordance with the Federal plan, has enacted and made immediately effective the "Civil Defense Act of 1950." Both the Congress and the Legislature have adopted comprehensive civil defense and disaster laws. Both Federal and State plans contemplate immediate adoption of such local legislation as necessary to put into operation a coordinated and effective civil defense and disaster program so that each citizen and each community will be ready in the event of a disaster to afford as complete protection as is possible to life and property. In order that the laws of this City relating to civil defense and disaster may be brought into conformity with the Federal and State plans at the earliest possible date, it is necessary that this Ordinance take effect immediately.

Sec. 12. SEVERABILITY: If any provision of this Ordinance or the application thereof to any person or circumstances is held invalid, such invalidity shall not affect other provisions or applications of the Ordinance which can be given effect without the invalid provision or application, and to this end the provisions of this Ordinance are declared to be severable.

Introduced, approved, adopted and passed this 23rd day of January, 1951.
