NOTICE INVITING BIDS
FOR CONSTRUCTION OF A ONE MILLION GALLON STEEL TANK

Sealed proposals will be received at the City Clerk's Office, City Hall, 1511 Cravens Avenue, Torrance, California, until 8:00 o'clock P.M. on Nov. 25, 1952 for constructing a one million gallon steel tank. The work is located within the City of Torrance, approximately 750 feet southwest of the intersection of Yukon Avenue and 17th Street. At the above-mentioned address, hour and date the proposals will be publicly opened and read.

A bidder must furnish as part of his proposal a full and explicit statement of his plan or layout for performing the work, including a detailed program for construction. Each proposal must be accompanied by a certified or cashier's check or bid bond in the amount of ten percent (10%) of the estimated aggregate amount of the bid as a guaranty that the bidder will, if an award is made to him in accordance with the terms of his proposal, promptly secure workmen's compensation insurance, execute a contract in the required form, and furnish satisfactory bonds for the faithful performance of the contract and for the payment of claims of materialmen and laborers thereunder. Said faithful performance bond shall be in the amount of the sum which is a multiple of $1,000 and not less than 50 per cent of the estimated aggregate amount of the payments to be made under the contract, computed on the basis of the prices stated in the Bidding Sheet. The bond for materialmen and laborers shall be in the sum required by Chapter 3 of Division 5, Title 1 of the Government Code of the State of California.

In accordance with the provisions of the California Labor Code, the City Council has ascertained the general prevailing rates of wages and the general prevailing rates for legal holiday and overtime work in the locality in which the work is to be performed to be as shown in the following schedule, and it shall be mandatory upon the Contractor to whom the contract is awarded and upon any subcontractor under him to pay not less than said specified rates to all laborers, workmen, and mechanics employed by them in the execution of the contract.
