
Here is the hope of America... young life with all its promise of usefulness and of idealism. Typical of millions of young Americans is this young fisherman. He matches the country with its marvelous resources scarcely discovered. He is healthy, energetic and creative. His tattered hat, rugged body and keen sense of humor declares him capable of his share of tomorrow's responsibility. *God planted rich values in the land and in human persons. He will sustain this young fisherman as he makes himself useful to humanity.*

This young American has a keen sense of morality, the goodness and the omnipotence of God... he goes to church. *His virtues are many and he lives by the Golden Rule.* He observes the habits of all of us every day. He is a dreamer. May we help him to dream dreams of worth and usefulness and to plan worthy ends he is to seek. He is your boy and mine. May we as good people assist in planning his program, his life. He is ours to mold and inspire. *Let us take him to church regularly and stamp him or bend him for all the tomorrows.*

YOU IN THE CHURCH
THE CHURCH IN YOU

Character is a by-product of the church. It is here that young and old alike are showered with benefactions that fortify and influence for a better citizenship and a stronger democracy. In the church the ministerial are molding religious character. Statesmen today declare that the church alone can furnish leadership to handle the affairs of state in these perilous times. Then we, with our children should go to the church of our choice on Sunday. "For in the Church and the Church in you" form a combination for good. Be a regular CHURCH-GOER and a daily BIBLE READER.

Consul Supports Bill

The Honorable Elius Garcia-Trevino, Consul from the Republic of Mexico, has issued a press release from Sacramento which inferentially supports my Assembly Bill penalizing American employers who deliberately and knowingly employ illegal aliens. He said that some American farmers in California cause the Mexicans to illegally invade California each year to work in harvesting the crops because certain farmers are happy to have them and want to evade contractual hiring under the so-called Bracero laws of Mexico.

Narcotic Violations

Ci et Clary, Secretary, Fresno Labor Council, has confirmed the statements I have made in the past that illegal aliens are tied in with the narcotic traffic. Clary recently said:

"If employers would co-operate and not bring in foreign workers at cheap rates, there would not be any 'wetback problem,' What's more, there would not be such a terrific narcotic problem if wetbacks did not stream across the Mexican border and come up into the San Joaquin Valley."

Supports Campaign

The Honorable Russell V. Mack, Member of Congress from the State of Washington, has said that "2¢ cents of each dollar collected in special taxes from motor vehicle users is being used for road building, while 74 cents out of each dollar is being diverted to other purposes."

As requested before, you are invited to write to Congressman Cecil King, 17th Congressional District, House Office Building, Washington, D. C. and to U. S. Senators William Knowland and Thomas H. Kuchel, both at the Senate Office Building, Washington, D. C., asking them to cancel Federal taxes on motor fuels of two cents per gallon and let the States levy this tax so that we can have a good highway program in California without adding to our existing tax burden.

OFFERS SPECIAL PROGRAM . . . The choir of the First Christian Church under the direction of Charles Bartholomew will present the first of three cantatas tonight at 7:30 in the church. Tonight's program will feature "The Holy City," written by A. R. Gaul. The three programs are being arranged by the choir to emphasize its drive to secure funds for a new grand piano for the church.

Mezzo-Soprano In Concert Here

A young mezzo-soprano hailed by New York critics as "a young Flagstad," Janice Moudry, will present a recital at Torrance High School auditorium tomorrow night, 8 o'clock, under the auspices of the local Community Concert Association.

Although the singer was born in Minnesota, she is considered a California product, for she was educated at the University of Los Angeles and made her debut as soloist with orchestras and as concert artist here.

She first appeared as soloist in Handel's "Messiah" with the Pasadena Civic Orchestra, and made her Los Angeles debut singing Mahler's "Kindertotenlieder" with the Los Angeles Chamber Symphony Orchestra.

Following this auspicious launching on the west coast, the mezzo went east, and has since appeared with the Boston Symphony, the Cincinnati Orpheus Club, and Minneapolis Symphony, and the Little Orchestra of New York. She also has presented recitals in both Los Angeles and New York.

Accompanied by Eugene Rankin at the piano, Miss Moudry will open tomorrow's program with four songs well known by the American people, "The Old Oaken Bucket," by E. Kaillmark; "Flow Gently, Sweet Afton," by Robert Burns; "Beautiful Dreamer,' by Stephen Foster; and "Danny Boy," an old Irish air adapted by FredWeatherly.

Her second group of numbers will include two selections by Schubert, "An die Musik," and "Die Forelle"; and three Brahms' melodies, "Von Ewiger Liebe," "Wiegenlied," and "Meine Liebe ist grum."

Following her rendition of the aria "O don fatale" from Verdi's "Don Carlos," Rankin will present two piano solos, "Reflections in the Water," by Debussy, and "Toccata,' by Poulenc.

Bernard Lee New Concert President

Bernard Lee will conduct his first meeting as president of the Community Concert Assn. next Tuesday night, 8 o'clock, in the offices of the Junior Chamber of Commerce building.

Other new officers who will be on hand for the session are Ella Schwartz, first vice-president; Patty Rudnick, second vice-president, and campaign chairman; Margaret Roettger, Lora Lytle, and Walter Slike, campaign committee; John Steinbaugh, third vice-president; Fran Snodgrass, secretary; R. J. Deininger, treasurer; Dr. J. H. Hull, appointments chairman; Ethel Sears, dinner chairman; and Kay Garrity, publicity chairman.

Seniors To Compete For $200 Scholarship

Competition will open next week among senior students at Torrance High School for a $200 scholarship to be awarded by the National Supply Management Club for the best 500-word essay on "What Industry Can Do for Education."

The local club, together with the National Association of Foremen with which it is affiliated, is promoting the contest in an effort to aid young men and women in obtaining further education that will prepare them for a future in industry, President Homer S. Martin said.

Students may obtain application forms from the school principal, and must submit their essays to him before April 13 to be eligible. A committee of judges will select the winners by judging the essays and considering personal information and qualifications. All essays will be judged for content and originality.

The scholarship, an award certificate and a $200 check, will be presented to the winning student during the month of April. He or she will then be eligible for the Zone "A" National Foremen's Club scholarship award, a $500 check to be presented on May 7.

"The students of today will be the leaders of tomorrow, and the student who takes advantage of this opportunity will be better prepared to assume that 'big job' when it comes along," Martin said. "Through this program the foremen and manage ment men of industry can extend a helping hand to the leaders of tomorrow."

Clyde Field is chairman of the club's scholarship committee.

Arlington Plan Chamber Board To Discuss New

A discussion of the proposed extension of Arlington Ave. will highlight tomorrow's 4 p.m. meeting of the Chamber of Commerce Board of Directors, to be held in the Chamber headquarters.

Board members also will consider the Delano Chamber of Commerce proposal for the creation of a new division of architecture within the State Department of Education, and will hear from Executive Secretary Dale Isenberg the progress of the proposed two-faced electric Neon sign identifying Torrance as "The City of Industrial Opportunity."

Police Sergeant To Vie for Top Speech Honors

A Torrance policeman, Sgt. G. S. Evans, will vie against five other speakers during the Area 10 Toastmasters Speak-off contest to be held at the Smith Bros. Fish Shanty Wednesday evening at 7 o'clock, according to F. W. Mill, chairman for the evening.

Several top officers in the toastmasters organization will attend. Included are District Governor George W. S. Reed, Lt. Governor Fred Gaslock, Regional Director Jack Weaver, and Area Secretary Henry Miller who will give the welcoming address.

Speaking against Sgt. Evans will be Jim Crabtree of Loyola-Del Rey Club; Bob Norland of the South Bay Club, Lincoln Schmidt of the Gardena Club, and Hal Starch of the Palos Verdes Club. The Gardena Valley Toastmasters has yet to name its representative.

Entertainment will be provided by the "Deaconaires," a local barber shop quartet composed of Charles and William Bartholomew, Dean Lougee, and Howard Foster.

The toastmaster for the evening will be Walter Glover.
