TORRANCE HERALD—438
ORDINANCE NO. 790

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF TORRANCE AMENDING AND ADDING CERTAIN SECTIONS TO "THE CODE OF THE CITY OF TORRANCE, 1954," REGULATING THE COLLECTION OF COMBUSTIBLE RUBBISH BY THE CITY AND ESTABLISHING CHARGES THEREFOR.

The City Council of the City of Torrance does ordain as follows:

SECTION 1.

That there be added to and made a part of Chapter 13 of "The Code of the City of Torrance, 1954," Article III, and sections thereunder as follows:

Section 13.26.

(a) Person, as used herein, shall mean any and all natural persons, any and all corporations, firms, partnerships, unincorporated business associations, joint venturers and persons doing business under a fictitious name.

(b) Combustible rubbish, as used herein, shall mean any and all objects and articles, other than garbage, that will incinerate through contact with flames of ordinary temperature including, but not limited to, paper, pasteboard, rags, clothing, household bedding, books; straw, excelsior and other combustible packing; barrels, boxes, cartons or other containers which are made of wood or fibre; wood, wood furniture or wooden articles; grass, trees, plants, vines, prunings thereof, leaves and twigs.

(c) Commercial or industrial establishment, as used herein, shall mean any store, shop, factory or other place where business is conducted.

Section 13.27.

Whenever combustible rubbish collection service shall be rendered by the city to any resident or place of business on or after January 1, 1956, the city shall collect from each resident or place of business once each week, without charge therefor, and from one collection point, an amount of combustible rubbish not to exceed nine (9) cubic feet. For any additional amounts collected at such time and for any amount collected at any other time, the resident, firm or corporation so serviced shall pay to the city as a service charge for such excess rubbish, fifty cents ($0.50) per ten (10) cubic feet of combustible rubbish so collected up to seven (7) cubic yards per week; quantities in excess thereof to be charged for at a sliding scale rate.

Section 13.28.

Changes may be made in the service rates as established in Section 13.27 hereof, at any time by resolution of this Council.

Section 13.29.

All combustible rubbish shall be deposited by such persons receiving such services as provided in Chapter 13, Article I, Section 13.9 of "The Code of the City of Torrance, 1954."

Section 13.30.

Charges for such service shall be payable on the basis of a calendar month. On or before the 10th day of each calendar month the city shall prepare and mail to each person serviced by the city, at the address last furnished in writing by such person to the city, a statement for such service rendered during the preceding calendar month. Such service charges shall become due and payable on the day following the day in which a statement therefor is mailed by the city to the customer and such accounts shall become delinquent at midnight on the 21st day of the calendar month succeeding the month in which the charge for service was incurred. There shall be added to each delinquent account a penalty of ten per cent (10%) of the amount thereof. When any account shall become delinquent, such service may be discontinued without further notice. Any unpaid service charge shall become a debt owing to the City of Torrance by the person so charged and shall be recoverable in a civil suit in any court of competent jurisdiction.

Section 13.31.

Before any combustible rubbish shall be collected at any commercial or industrial establishment by the city, on or after January 1, 1956, from which establishment rubbish has not been regularly collected by the city within one year prior to said date, the person owning or operating said establishment shall make written application for rubbish collection service to the city. The application must be signed by the person desiring such service, giving his status as owner, agent, or tenant.

Section 13.32.

This ordinance shall not be construed so as to make it unlawful for any person to have his combustible rubbish collected by a private person or to dispose of his combustible rubbish in any otherwise lawful manner; provided, however, that the city reserves the right to refuse to render rubbish collection service to any person using the rubbish collection service of a private person.

Section 13.33.

Surveys will be made quarterly, or oftener when requested, to determine if the quantities of refuse collected have changed sufficiently to warrant a change in the charge being made for service.

SECTION 2.

The increase in the number of residential and commercial establishments in the City of Torrance has placed a considerable burden upon the finances and facilities of the City of Torrance in the rendering of combustible pickup service; that it is reasonable to expect that with the continued growth of the City of Torrance the present burdens upon the city and the collecting and disposal of such rubbish will increase; and it is hereby declared an emergency to adopt and provide new rules, regulations and charges with respect to the collection of such material. By reason of these facts this ordinance is hereby declared an emergency ordinance and shall be in full force and effect immediately after the passage and adoption hereof.

SECTION 3.

The City Clerk shall cause this ordinance to be published once in accordance with the provisions of the Charter of this city.

Introduced, approved and adopted this 3rd day of January, 1956.
