

AT SOUTH HIGH SCHOOL

# Underground Newspaper Wins Official Backing

An underground newspaper at South High, first circulated on the campus last March 7, has surfaced following a vote of the Student Council last Monday. The Student Council voted to assume publication of the new newspaper, "The 7 O'Clock News."

ALL FOUR youths were suspended for violating sections of the State Education Code which prohibit distribution of unauthorized materials on a public school campus and forbid verbal attacks on school officials. Under terms of a compromise plan developed following discussions between the school administration and students, "The 7 O'Clock News" will be published as a literary

publication which "philosophically and intellectually deals with current student issues," William V. Unger, a curriculum consultant at South High, said. THE PUBLICATION is to be handled under established law and policy, Unger said. "Its publication by the (student) council," he added, "will insure against libelous, irresponsible criticism and curb such publications from appearing illegally on the campus."

## Robbery Attempt Fails As Revolver Misfires

An attempt by two men to rob a North Torrance service station was thwarted Friday morning when the station attendant pulled a gun on his assailants. Eugene Koenig, an attendant at a service station at 13300 Crenshaw Blvd., told police he and another man were in the station office about 2:30 a.m. Friday when they were approached by two men.

At that point, the bandit pulled the trigger, but his gun failed to fire. He turned and ran from the station. Koenig told police he fired four shots. Koenig told police the two suspects were joined by a third man as they ran south on Crenshaw Boulevard. Koenig said he last saw the three men run east on 164th Street.

## Carnival Is Planned at Chadwick

Prizes and surprises will be featured at Chadwick School's "Chaos Carnival," which will begin next Sunday afternoon at 1:30 on the school's athletic field.

Parents, students and friends are invited to attend the family affair which will include exhibits and refreshments. Carnival sponsor is the Chadwick School junior class. Proceeds will be used by juniors to host a junior-senior prom held annually in May.

## State Cancels Bar Suspension

SACRAMENTO—The state department of alcoholic beverage control announced it has accepted cash payment of \$492 from Roger F. and Jeanette M. Bernhardt, 16502 Crenshaw Blvd. in lieu of a suspension of their on-sale general liquor license. The licensees were charged on Aug. 17 with possessing book-making paraphernalia on the premises and permitting book-making to take place on the premises.

When desiring to wash painted surfaces, consult your paint dealer for selection of correct cleansing compound.

Lynn Curtis, student commissioner of public relations, has been named editor of the new publication and the student council, augmented by other students, will serve as an editing board, it was announced. The first number of "The 7 O'Clock News" under the new arrangement is scheduled to be issued Friday.

## ... Council

(Continued from Page A-1) been confined to apartment units to date, it was reported. Single family homes will be inspected beginning this week, city officials said.

Under a council policy approved some weeks ago, city inspectors must have permission of the council when they go to court to get an order admitting them to a home.

## Charges in Drug Case Dismissed

Misdemeanor charges of possession of dangerous drugs against an 18-year-old Torrance youth have been dismissed in South Bay Municipal Court. William Bezan Jr., of 3721 W. 180th St., was arrested with two other youths March 7 when they were observed by Torrance police in a parked car. Judge George Perkovich dismissed charges against Bezan Wednesday.

## TUESDAY'S hearing is the final step in the so-called Part I phase of the urban renewal program. The plan to be considered calls for the city, through its Redevelopment Agency, to acquire some 54 acres of land at the west end of the Torrance Municipal Airport.

The area then will be developed as an industrial park under the plan approved by the Redevelopment Agency. Financing of the program is to be shared by the federal government and the city. Total costs of the project have been estimated at \$8.2 million. The federal government will pay for about \$3.5 million of the total costs.

GIRLS' WEEK . . . Sandy Mead (left) and Carolyn Collins, both seniors at Carson High School, are among thousands of Southern California girls being introduced to the business world this week through the Los Angeles City Schools Girls' Week Program. The two girls are working this week at the Home Savings and Loan Association office at 1511 Craven Ave. Jerome Scott, manager of the office, discusses account books with the two girls here. The annual event is co-sponsored by the Business and Professional Women's Club.

# \$1.8 Million in Permits Issued by City in March

Building permits valued at slightly more than \$1.8 million were issued in the city of Torrance during March. John J. McKinnon, superintendent of building and safety, has reported. McKinnon, in a report just issued, said 250 permits were issued during the month with a total value of \$1,840,720. The March totals bring to more than \$5.4 million the value of all permits issued during the first quarter of 1967. During the first quarter of 1966, a total of \$8.6 million in permits was issued, McKinnon said.

A total of 47 new dwelling units, including 40 apartment units, were begun under permits issued in March. Since the first of the year, permits for a total of 57 new dwelling units have been issued. During March, 1966, permits valued at \$4.2 million were issued in the city. A total of 80 new dwelling units were started in the same month a year ago.

Largest single category of permits issued last month was for multiple dwelling units. Two permits, valued at \$30,058, were issued for the 40 apartment units. Additions and alterations to industrial facilities were begun under 24 building permits worth some \$373,000 and a total value of \$314,000 was placed on new commercial construction begun during the month.

# BORIS STAUFFER WOOLLEY

ATTORNEY AT LAW  
THE ACTION CANDIDATE FOR  
46th ASSEMBLY DISTRICT

**BORIS WOOLLEY WILL:**

- ★ FIGHT . . . JUVENILE CRIME. Treat them as adults. Print their names. Quit babying them. Let's get tougher laws from the state legislature.
- ★ FIGHT . . . ADULT CRIME. We need more police—better trained. Take politics out of justice. We need the legislature to completely overhaul our criminal judicial processes.
- ★ FIGHT . . . BIG GOVERNMENT. Stop "give-away" programs. Stop mushrooming government bureaus and agencies. Let's give the government back to the people.
- ★ FIGHT . . . BIG SPENDING. Economy should reach every branch of our state government. Cut spending drastically. Reduce the number of government employees and bureaus.
- ★ FIGHT . . . EXCESSIVE AND PUNISHING TAXES. Reduce greatly, and at once, taxes on homes.
- ★ FIGHT . . . ANY REDUCTION IN COLLEGE LEVEL EDUCATIONAL OPPORTUNITIES. At the expense of all other segments and bureaus of our government education should be encouraged. In this way we can eliminate a large part of our overwhelming welfare expense.
