Tartars Down Oilers 42-0 In Local Tilt

" Look at us go," could have been the title to the story of last Friday's grid go for the Tarters fotball team as they litterly murdered Montebello's crew 42-0, in a non-league session.

"Crazy-legs" Harry Bayliss took the pill n a beautiful play raound left end to draw first blood, then not a minute later Larry Roy took a handoff from the Montebello tailback to score the second tally and the half ended with a 14-0 lead for Torrance.

After the halftime festivites, the crowd was left, still guessing what Coach Cliff Graybell said to his athletics, for Jones brought the crowd to their feet as he pounded through the foe's line like a madman for 67 yards and another Torrance tally.

The opponetns threatened only once and that was in the fourth quarter. The threat was broken up when Bobby Kulp intercepted a pass that looked like a very promising TD. Kulp brought the ball down on the Montebello 11 yard line.

Soon after Harry (the Streak) Bayliss with the help of a beautiful hole through right tackle scooted 85 yards down the side lines with a host of tacklers at his heels for the fourth Torrance tally.

After working the ball to the one yard line Jones again butted his way for the fifth TD. The sixth and final bid for pay dirt was a beautiful 38 yard pass by Jim Farrar to Burt Smith. End Larry Roy, better known as "the educated toe," booted the ball seven times through the goal posts for extra points of which only six counted as one was called back.

Good hard playing, alng with smart signal calling and fighting spirit made the victory possible. The Tartars will meet Redondo tomorrow night in the Beach City.

OR FOR 4 YEARS HOLD YOUR PEACE

In plain language:

Vote up or shut up...

Honestly, don't you agree that anyone who doesn't vote shouldn't open up his lips too much about how the country will be run during the next four years?

Big day coming! Election Day! November 4.

Miss it and you've missed the freeest show on earth: the people of the United States voting how they want freedom to operate for another quartette of years.

Brother and sister, doesn't it run the thrills and chills up and down your spine to figure you're one of the folks who can dictate, just by private crosses on paper, whom you want to represent you?
