Anthropologist Will Speak At YWCA on November 1

"Religion, Revolution, and Reform" will be the topic of a lecture and discussion by Dr. Joel S. Canby, anthropologist, when he speaks at the Torrance Branch, YWCA, on Friday, November 1, 8 p.m. The event is sponsored by the Public Affairs Committee of the Torrance YWCA of which Mrs. F. R. Monroe is chairman.

Dr. Canby received his Ph.D. in Anthropology from Harvard University. He has been Director of the Center for Advanced Anthropological Studies in Guatemala, C. A. In addition he spent four years in Iraq where he was chairman of the Department of Social Relations, advisor to the Minister of Social Affairs on Rural Development, and did research among the Bedouins and Kurds.

He has traveled extensively through Europe, the Middle East, and the Orient. Dr. Canby was recently Professor of Anthropology and Coordinator of the Behavioral Sciences at the State University of New York and is currently engaged in writing a book on the social history of the Middle East.

The lecture will deal with the importance of religion in promoting a community of man and attempt to lead to discussion of the impact of atheistic communism on the modern world.

Members of the YWCA and their friends are invited.

Offers Counseling Service

Dr. Willard Morrill Brown, of 25316 Ebony lane, Lomita, today announced that he will be available to give personality, intelligence and vocational aptitude tests beginning November 1 in this area. As head of the California Counseling Service he expects to associate with himself several other experienced psychologists and educators.

Need for such a service on a minimum cost clinical basis has long been felt in this locality. Public school service in this field is very inadequate and counseling of this type for both adults and children has been very expensive and difficult to obtain, he said.

Named Club Director

John G. Crain, of 3735 West 171 st., director of public relations for the Traffic Association, was elected to the Board of Directors of the Los Angeles Transportation Club, an organization of 600 traffic executives. Crain is president of the North Torrance Civic association.

An Air Force doctor goes up 19 miles in a balloon. That's about the only direction man can go these days—without being tried in a foreign court for getting off base.—Chicago Sun-Times.

The Santa Fe Trail, early transportation artery in the Southwest, was opened in 1821.
