**time to get rollin'
on sprucing up
home and garden!**

The sweet sounds of fix-up are heard across the land: paint-can tops popping, curtains swishing, tool-sharpener humming. Yes, now's the time to give your home a fresh Springtime face! Friendly dealers nearby can help — see them soon. But first, take a look inside; get handy tips, preview new products to make the job easier — even fun!
