Assignment TV

By TERRENCE O'FLAHERTY

There are only a handful of basic plots, 'tis said, and all the rest are either copies or combinations. Judging from a special preview of proposed new NBC shows, the network has at least two of each planned for the next three years.

Several are based on well-known books, plays or movies: "See Here Private Hargrove," which utilizes the current razor blade stunt of substituting a "tweet-tweet" for Army profanity . . . Jean Kerr's book, "Please Don't Eat the Daisies" has been adapted to star Pat Crowley . . . "The Wackiest Ship in the Army" has been adapted by the producer of "Bewitched" to star Jack Warden . . . "Mr. Roberts" stars Roger Smith.

"Get Smart" is a farce about secret agents who are fighting the international crime ring known as CHAOS . . . "Campo 44" is a farce treatment of prisoner of war camps in Europe during World War II where American servicemen are plotting wildly to escape in the manner of "Stalag 17." It is produced by M-G-M andw ritten by David Westheimer, the author of "Von Ryan's Express."

"Camp Runamuck" is a take-off on those places where thoughtful parents send their boys in the summer to commune with nature and exchange blemishes for mosquito bites. Across the lake is a girl's camp called Camp Divine, directed by Hermione Baddeley.

• • •

"I SPY" is a one-hour tension drama of international intrigue with comedy relief, starring Robert Culp and Bill Cosby, secret agents disguised as a world traveling tennis champ and his trainer.

"The Good Old Days" is set in suburbia of 5000 B. C. Darryl Hickman is the head of his caveman family. His name is Rock and he is dressed like Tarzan of the Apes. It's a comedy.

"Convoy" is a full-scale sea drama based on the running of the Nazi submarine packs in World War II. John Gavin (formerly "Destry") co-stars with John Larch.

"Tell Aggie" is an obvious spin-off from "Dear Abby" wherein an advice-to-the-love-lorn columnist offers domestic solutions which backfire. It's written by the creators of "The Rogues."

"Laredo" is in color and stars Neville Brand, Peter Brown and William Smith as good-bad guys on the Mexican border . . . "Star Trek" ir the story of a giant spaceship manned by Jeffrey Hunter.

"Hank" is a college con man, a young Sergeant Bilko, who manages to upset college life by faking everything from credentials to innocence. It stars Dick Kallman who headlined the recent road show production of "How to Succeed in Business."

• • •

SUPERNATURAL? Sure! There's "The Ghostbreaker," an original-looking show centered on a medium who is called into criminal cases. An occult cliff-hanger . . . "The Willies" is another supernatural series starring George Gobel and Hans Conreid . . . "My Mother the Car" stars Jerry Van Dyke as a young guy whose mother dies and is reincarnated as a car. The car's voice belongs to Ann Sothern.

"Steptoe and Son" is based on a similar series which has been successful in Britain. Lee Tracy and Aldo Ray are father and son antique (junk?) dealers.

"Kissin' Cousins" is a "Li' Abner" sort of backwoods frolic with country girls who look like chorus girls, starring Edd "Kookie" Byrnes of "77 Sunset Strip."

"I Dream of Jeannie" is about a married astronaut who finds a bottle with a genie in it named Jeannie who follows him home. His wife doesn't get along too well with her. (Larry Hagmann and Barbara Eden.)

• • •

CERTAIN FOR this year: "The Dean Martin Show," "The Allan Sherman Show" and "The Alan King Show." Two are from the mold of "The Defenders" and "Slattery's People." "The Mayor" is produced by E. Jack Newman, the man who created "Mr. Novak" and "Dr. Kildare" and stars Robert Fuller as a modern mayor with problems . . . "Guilty or Not Guilty" is a series about a New York district attorney with emphasis on his private life starring Robert Ryan as a sort of legal Father-Knows-Best.

Now, go out and write your own series!

There's a lot to do in

New Discovery Now Makes It Possible to Shrink And Heal Hemorrhoids Without Surgery

Stops Itch — Relieves Pain In Minutes

New York, N. Y. (Special): A world-famous institute has discovered a new substance which has the astonishing ability to shrink hemorrhoids without surgery. The sufferer first notices almost unbelievable relief in minutes from itching, burning and pain. Then this substance speeds up healing of the injured tissues all while it quickly reduces painful swelling.

Tests conducted under a doctor's observations proved this so—even in cases of 10 to 20 years' standing. The secret is the new healing substance (Bio-Dyne®) — now offered in both ointment or suppository form called Preparation H®.

In addition to actually shrinking piles—Preparation H lubricates and makes bowel movements less painful. It helps to prevent infection (a principal cause of hemorrhoids).

Only Preparation H contains this magic new substance which quickly helps heal injured cells back to normal and stimulates regrowth of healthy tissue again. Just ask for Preparation H Ointment or Preparation H Suppositories (easier to use away from home). Available at all drug counters.
