

WARRIOR TRAILS

By Robin Newcomer

Three cheers for the Bee and Cee track teams for tromping over the other Pioneer League teams and winning both championships in the league finals last week. Boys who placed first in one or more events in the Bee division were Steve Harding, Skip Houghton, Vince Catzo, Art Davis, Eric Bramhall and Steve Veldeer. Placing first in the Cee division were Dave Young, Bob Cooper, Richard Brooks, and Harold Smalley.

Tickets are now on sale in student activities for the annual Spring Sports Banquet in honor of members of the baseball, tennis, and track teams. The banquet will be held May 24 and tickets are \$1.75 per person.

TOMORROW night at 7:30 the first part of the Spring Music Festival will begin in the gym. After the instrumental part of the program, featuring the concert band, orchestra, and dance band, the choir, girls' and boys' glee clubs will perform. Admission to each concert is free.

All juniors and their parents are invited to attend the College Advisement Night next Monday. The talk will cover admission policies, scholarships available, general requirements and procedures for applications. Representatives from El Camino, Long Beach State, Whittier, Dominguez Hills, and the University of California at Irvine will be present.

Seniors may pick up prom bids to this year's prom.

Man Gets \$300 from Area Bar

A stocky, gun-toting bandit robbed a downtown Torrance bar of \$300 early Monday after he met the manager and his wife on the street outside the bar.

Police said the gunman approached Walt Veel and his wife outside a bar at 1884 Cravens Ave. and told them, "Look Walt, I want it."

The man forced Veel and his wife to return to the bar, demanded the key to the safe, and took \$300 in currency.

Veel told police the man left the area in a car, driving north on Cravens Avenue.

Police said the gunman was between 32 and 35 years of age, 5-6 or 5-7, and stocky. He was of Mexican descent, police said.

Top Prizes Awarded by Photo Club

David Searing of Palos Verdes Estates and Rennie Weber of Torrance have captured top awards in the April competition of the South Bay Camera Club.

Searing won first place in the color slide division, while Weber won first place in the pictorial print division.

Harry Pollak of Los Angeles served as the judge. Pollak also presented a program on "Tops 1966," a traveling collection of 50 pictorial and nature salon prints assembled by Pacific Southwest Airlines (PSA).

South Bay Camera Club meets on the first and fourth Wednesday each month in the community room at the American Savings and Loan Association Building in Redondo Beach.

Carson Tract Wins Approval

Plans for an eight-lot subdivision in the Carson area have been approved by the Regional Planning Commission.

Nu-Way Investment Corp., 333 W. Carson St., will subdivide the property, located at Figueroa and Carson streets.

Discussion Of Student Needs Set

How well is today's student prepared to assume his role in industry, business and government?

This question will be answered by three area educators at a luncheon meeting to be held by the South Bay Harbor Industry - Education Council Thursday in Bullock's Del Amo Room.

The program is the second

in a series of three which began last month when a panel representing local business, industry, and education described their requirements of today's student.

THE HIGH school's point of view will be discussed by Dr. W. Earl Brown, superintendent of the South Bay Union

High School District. On the college level, Dr. Wendell O. Black, president of Los Angeles Harbor College, will describe the roll of the two-year college. Edward Babush, director of placements for California State College at Long Beach, will discuss the four-year college.

In June the series will conclude with a discussion on

needs in the forthcoming decade.

A LOCAL affiliate of the Industry-Education Council of Southern California, the South Bay Harbor chapter is dedicated to promotion and encouragement of communication and cooperation between industry and schools. The organization's goal is to assist continuing development and improvement of educational programs which

have direct or indirect relations with industry.

Organizations or individuals interested in joining the council are invited to contact chapter president Charles Piccard, assistant vice-president of California Federal

Savings, 27608 Silver Spur Road, Palos Verdes Peninsula.
