

Candidate peaks at Harbor JC

Dr. Julian Nava, a professor at San Fernando Valley State College and candidate for the May 31 election for the Los Angeles City Board of Education, today said he is opposed to state college and university tuition fees.

"Increased costs to students these state supported institutions will cause many to drop out there and turn for their education to the junior colleges which are financed by the already overburdened property taxpayer," he declared.

He addressed a student-fifty audience at Harbor College. Dr. Nava's appearance was sponsored by the Harbor Area Citizens Committee for Better Education, which is headquartered at 26-N. Avalon Blvd. Harold Witt, a Harbor College professor, is chairman.

This Cart-Full of Groceries Cost \$5.15 to \$5.30 Less at Market Basket!

A few days ago we chose a customer at random, Mrs. Mary L. Lemley of La Mirada, and asked her permission to make a list of her purchases which amounted to \$48.42. Had she bought the same groceries at two other leading food chains she would have paid \$5.15 or \$5.30 more than what she paid at Market Basket. The totals from the other chains include specials as well as regular prices. No doubt you, too, can save as much if you shop Market Basket every week. And, thanks to Deep-Cut Discount Prices on EVERY item every day, you don't have to limit your selections to certain items, brands or sizes to save money at Market Basket.

This is an actual photo of Mrs. Mary Lemley's basket of groceries taken May 1, 1967.
