## Teacher, YMCA Leader Honored By Principals

A teacher at Victor Elementary School and the executive secretary of the Torrance Family YMCA have been named winners of this year's Golden Apple awards presented by the Torrance Elementary School Principals' Association.

The awards are presented annually by the group to honor a professional educator who has made an outstanding contribution to the field of education and a lay person who has been an inspiration for the city's youth. Miss Molly Marshall and Joe Wilcox were awarded the Golden Apples.

Miss Marshall began her teaching career in Wisconsin and came to Torrance in 1947. She is one of the original teachers of the Torrance school district. She has taught at Perry, Casimir and Wood schools and now teaches the first grade at Victor School.

She was selected for the Golden Apple Award because of her desire to make all her students "good readers and good citizens."

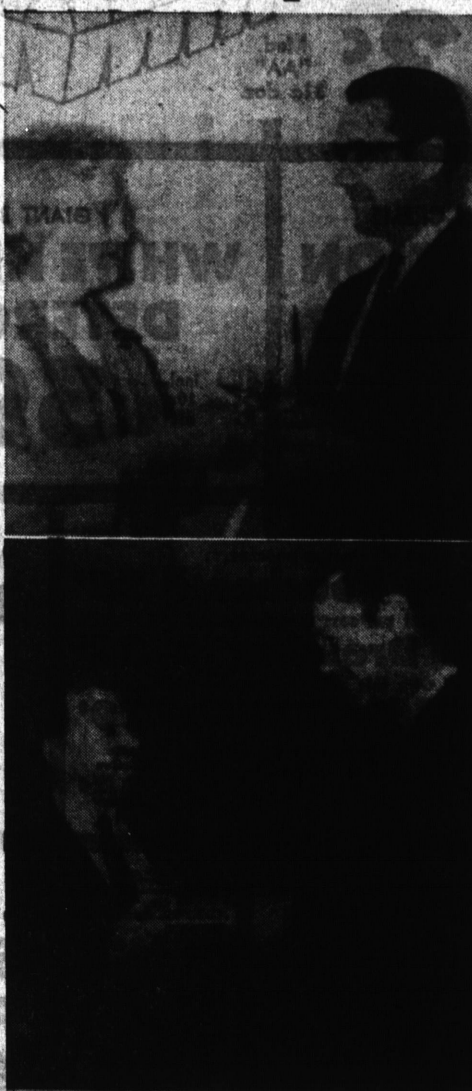

Wilcox, who has been associated with the Torrance Family YMCA since 1956, was honored for efforts in building the local "Y" into "one of the finest YMCAs in the state."

In presenting the award, Dr. William Forrest noted that Wilcox has "probably touched more children's lives than any other person outside of education in the city of Torrance."
