The Tape Total Tells The Truth—**MRS. JOHNSON SAVED \$4.38 to \$4.75 ON THIS CART-FULL AT MARKET BASKET!**

A few days ago we chose a customer at random, Mrs. William Johnson of Alhambra, and asked her permission to make a list of her purchases, which amounted to \$28.83. Had she bought the same groceries at two other leading food chains she would have paid \$4.38 or \$4.75 more than what she paid at Market Basket. The totals from the other chains include specials as well as regular prices. No doubt you, too, can save as much if you shop Market Basket every week. And thanks to Deep-Cut Discount Prices on EVERY item* EVERY day, you don't have to limit your selections to certain items, brands or sizes to save money at Market Basket.

This is an actual photo of Mrs. William Johnson's basket of groceries taken May 15, 1967.
