

WARRIOR TRAILS

By Robin Newcomer

Three cheers for West High's marching units who paraded down Torrance Boulevard Saturday morning and won the Mayor's Trophy as the best civilian entry. The band, drill team, majorettes, flag twirlers and mascot drew tremendous applause as they marched to "Invercargill," "Anchors Aweigh," and "The Cassion Song." The 3-foot trophy was presented to the student body by drum major Rocky Westlake and drill team captain Janet Allen, Monday.

Last Saturday will be written down as a night to remember. Happy couples danced to the Carroll Wax Orchestra at "A Dream of Days Gone By," the annual junior-senior prom. Many thanks to the junior class for a big success!

POSTERS ARE UP and campaign speeches are being given as the day of elections is nearing. Although many ASB offices have only one candidate, class offices are well represented. Among those vying for offices are Steve Bunch and Jerry Pretorius for ASB president; Shirley Steinberg and Dale Whitney, for secretary of club co-ordination; and Dianne Stonnick and Clare Nonoshita, for secretary of correspond-

ence. Let's have 100 per cent participation on election day—get out and vote! Election results will be announced at this Friday's dance. The dance will be held from 7:30 to 11:30 in the gym and is a combined "Battle of the Bands" and election dance. Learn who next year's government leaders will be as well as finding out which band is tops.

LAST WEEK a PTA-Student Council Institute was held. The purpose of this first time even was to interest parents in student government and inform them about what is happening at West. Discussions included the Peace Corps Carnival, dress standards, season tickets for athletic games, and a student court. ASB Vice President Ron Heideman stated that he thought it was successful but it could have been better if there was more attendance. Next year these meetings may be held more frequently.

There is a limited number of tickets left for Grad Night '67 at Disneyland. Tomorrow is the last day for purchasing these tickets which are \$4 for seniors who have paid their dues and \$8.50 for those who haven't and guests. Don't miss this fun-packed night, June 14, from 11 p.m. to 5 a.m.

Trail's End!

To Participate In Area Seminar

Mrs. Virginia M. Levanas, nursing skills teacher and school nurse at Torrance High, has been selected to participate in a U.S. Public Health workshop June 18. The workshop, "New Concepts in Community Mental Health," will be held at Lake Arrowhead.

WHAT'S DOING?

Telephone Etiquette

Summer time usually means more time out of doors around the home. Remember this when you are telephoning friends. Give the person you are calling time to get down that hose, rake or shut off the lawn mower and reach the phone before you hang up. It takes a few moments to do these things before you can enter the house and answer the phone. So let's be courteous and wait a little longer. We might complete more calls. For those of you who do not like to be interrupted in the yard to have to go into the house, have you ever thought of an extension telephone in the garage? Your wife might be in favor of this also, especially if she has just cleaned the floors. For information call your service representative today in the business office.

I'm sure you'll agree, moving out of town is a big job. Taking care of those hundred-and-one little details can get pretty hectic.

And that's why we have developed a plan that will make any out of town move a whole lot easier. We call it the Easy Move Plan. Here's how it works: with just one call to our Business Office, we'll stop your phone service here and start it there. It doesn't matter whether you're moving to a nearby town or across the country—the Easy Move Plan is effective throughout the Bell System.

Last thing out, first thing in—I'm sure you'll find it saves you time and energy to always have a phone within reach. To get the Easy Move Plan, just call your Service Representative. She'll take care of everything.

I'm happy to tell you that starting this month, we will list each of your multi-message unit calls to other Los Angeles Metropolitan Area communities separately on your phone bill. With this service improvement, your bill will show when and where you called and give you other information much as it does for long distance calls.

Best of all, there will be no extra charge for this service.

I think you'll like the new service, and we're happy to bring it to you. If you have any questions, please call your Telephone Business Office.
