Heart Fund Ends 'Very Good Year'

The Heart Fund Campaign for 1966-67 is drawing to a close with a creditable record of work, reports this year's chairman, Mrs. Belya S. Brase.

Torrance Rebekah Lodge 347 has worked a total of 938 hours on the mailing desks of the Southwestern Branch of the Los Angeles County Heart Association, not including the work done by the solicitors for the Heart Sunday Campaign or any of the work at the turn-in stations.

A total of \$1,030 has been collected to date, with the "sorry I missed you" envelopes still pouring in, according to Mrs. Brase.

New Breathmobile Opens on Monday

More than one million residents in Southwest communities will be offered an opportunity at no cost to discover if they have early symptoms of chronic respiratory disturbance Monday at Harbor General Hospital.

Starting at 9:30 a.m., the Los Angeles County Tuberculosis and Health Association will open the doors of its new \$115,000 Breathmobile for the first in a series of Southland community-wide operations in its stepped-up fight against respiratory diseases.

The Breathmobile, a 40-foot truck-trailer unit housing the most advanced equipment and with a team of respiratory specialists will be stationed on the hospital's Carson Street-side parking lot through June 30, excepting Sunday.

Not only the hospital's 1,800 employees but residents of the 26 communities it serves will be "welcomed aboard" for painless, 10-minute examinations to determine their state of respiratory health. Dr. David P. Discheh, medical consultant for the Breathmobile project, declared,

"THE PURPOSE of the Breathmobile is to prevent, insofar as possible, disability and death from chronic respiratory disease through early detection of individuals with signs of respiratory impairment in the adult population of Los Angeles County through referrals of such individuals to their personal

physician or appropriate medical facilities for thorough diagnostic and therapeutic follow-up," Dr. Discheh said.

"At present, the Breathmobile operation is confined to persons 21 years or older," he added.

Supervisor Kenneth Hahn, in whose district Harbor General lies, endorsed the Breathmobile visit and said:

"This is an important step in medical science's fight to overcome the ills besetting mankind. It offers early detection of such serious afflictions as emphysema which has increased 500 per cent in the past 10 years, tuberculosis, heart malfunctions, and other respiratory distur-

Mother of Torrance Woman Dies

Mrs. John Ferguson of Sun City, whose daughter Mrs. Kenneth McVey resides at 16708 Falda St., died June 7 at her home.

Services were held for Mrs. Ferguson Monday in Tucson, Arizona. Although she did not live in Torrance, Mrs. Ferguson visited her daughter here frequently and came to know many area residents.

Besides her daughter, Mrs. Ferguson is survived by a sister, Grace Parrish, also of Tucson.

Secretaries Will Meet

Larry Craig will discuss the problems associated with searching for heirs of large and small estates with members of the Southwest District Legal Secretaries Association Thursday.

The group will meet at the Inglewood Golf Course Restaurant, 3700 W. Manchester Blvd., Inglewood, at 7:30 p.m. Reservations may be obtained by contacting Jessie McIntyre, 204 37th Place, Manhattan Beach.
