

Mrs. Bernard Wechsberg, president of the South Bay Chapter of Hadassah, has called a special meeting at the home of Mrs. Nan Satton, 3030 Merrill Dr., Torrance, on Friday, June 16, at 10:30 a.m.

The purpose of the meeting will be to inform members and all those interested of the impact of the Middle East conflict on the State of Israel and to report on Hadassah participation in rehabilitation plans.

The local chapter of Hadassah, Women's Zionist Organization of America, will discuss projects to be undertaken in this area.

Students Home

Among the college students arriving to spend the summer here with their parents are the three daughters of Mr. and Mrs. Lyle O'Hara. They are Colleen, a junior at Mount St. Mary's; Jill, who completed her sophomore year at Mount St. Mary's; and Judy, who spent the past year at the University of San Francisco.

Leaves Torrance

Miss Lillian Faulkner, 2387 Sonoma, who has made her home in Torrance for the past 40 years, is moving to Yucaipa where she has purchased a mobile home. Miss Faulkner retired in 1961 from the Pacific Telephone Co. in Torrance. Her sister, Mrs. Bessie Myrick, formerly of Torrance, also makes her home in Yucaipa.

Top Hair Fashion Authority Heads May Co. Salons

Hair fashions, worn by the stars, are now available to South Bay women. Frederick Jones, with 15 years of hairstyling work for motion pictures, television and fashion magazines has been appointed Hair Fashion Director for all 15 May Co. Stores.

Andra Boulinghouse of the circulation department of the Press-Herald enjoys a chic new fashion created by the Hair Fashion director.

In discussing his styling techniques, Jones says "I give a woman a hairdo and cut that she can brush and then recreate—and I show her how to do it."

The All-American Look, created for this model, can be restyled in 12 different ways.

In the upper picture, Jones shows Mrs. Boulinghouse his completed creation, featuring bangs with the side swirl to the back.

In the lower picture, he shows her how to achieve an all-together different effect by fluffing the side hair and bringing it to the front.

Jones, who created 150 different hairstyles for the motion picture "The Group," is available for consultations and is teaching May Co. Beauty Salon's coiffurists the newest trends.
