

Doctor Gets Federal Appointment

Selection of a Los Angeles County Harbor General Hospital staff doctor to fill an important Federal Government position in the National Heart Institute was announced by hospital authorities.

Dr. Anthony Bruno, 1123 Monte Verde Drive, Arcadia, has already resigned his post as one of the head physicians on Harbor's staff and is in Washington, D. C., reporting for duty as Associate Chief of Training Grants and Awards Branch, an Extramural Division of the Institute. He will be stationed with the United States Public Health Service in Bethesda, Maryland.

Dr. Bruno's qualifications for the Institute position springs from extension studies in the Institute of Cardiology, University of Rome, Italy, from 1959 to 1962, under Professor Pietro Valdoni, one of the world's foremost cardiac surgeons. Dr. Bruno will reside in Bethesda with his wife, Rosemary and children Marc Anthony, Lisa Marie and Kathy-Lu.

The Tape Tells the Truth—Lorraine Poteet Saved \$1.82 to \$1.94

A few days ago we chose a customer at random, Miss Lorraine Poteet of Costa Mesa, and asked her permission to make a list of her purchases, which amounted to \$17.61. Had she bought the same groceries at two other leading food chains she would have paid \$1.82 to \$1.94 more than what she paid at Market Basket. The totals from the other chains include specials as well as regular prices. No doubt you, too, can save as much if you shop Market Basket every week, and thanks to Deep-Cut Discount Prices on EVERY item* EVERY day, you don't have to limit your selections to certain items, brands or sizes to save money at Market Basket.

This is an actual photo of Miss Poteet's basket of groceries taken June 5, 1967.
