**TORRANCE PROPERTY**

In collecting and compiling this first Directory of Torrance, I have endeavored to make it as near perfect as it is possible to get a work of this kind.

I have corrected and revised the copy several times before putting it to press, but it is inevitable that a few errors will appear in the completed book, and I hope that the people of Torrance will be lenient in their criticisms.

I want to thank the people of Torrance for their courtesy in furnishing information, the Chamber of Commerce for its hearty co-operation and the advertisers for their financial support.
