HOUSEHOLDERS, OCCUPANTS OF APARTMENTS OFFICE BUILDINGS AND OTHER BUSINESS PLACES

Including Telephone Numbers By Street Address and a complete

Street and Avenue Guide

In the following list the streets are arranged in alphabetical order, the intersecting streets being shown. The number of each building on the street is given in numerical order, and opposite the number is placed the name of the occupants or home owner or tenant. In office buildings and apartment houses the occupants are shown by room numbers or apartment numbers where practicable. The profession or business of individuals or firms is given only at their respective places of business; to find occupation of others refer to Alphabetical

Section. Telephone numbers are shown at the extreme right.

The symbol * following a street number indicates that we have received information during the canvass that the house is owned by some member of the family, but since the publisher cannot and does not guarantee the correctness of the information furnished, nor the complete absence of mistakes no responsibility for errors can be assumed, nor can the publisher furnish further information than that shown.
