No longer will the women of the country (or the men either) need to walk miles seeking the particular article they desire. For the Buyer's Guide is a new service which will tell them instantly where to buy almost anything they may want.

Easy to Find

Ease of reference and convenience are the principal reasons why so much thought is given in the compilation of Buying Information in the Buyer's Guide.

A study of the buying habits of the general public is continually being carried on, in order that you may be correctly informed.

Just note the arrangement of information on this page.
