LEGION DANCE TONIGHT.

Since the announcement made a few days ago that the American Legion Post No. 170 was contemplating the giving a dance during the visit to this city of this week's crowd of visitors, those in charge have been besieged with inquiries as to the date chosen. The date settled upon was tonight and it is expected that the townspeople will turn out en masse and that the affair will attract hundreds from the visiting crowds.

PILGRIM PLAY TICKETS.

Secretary Pottenger of the Chamber of Commerce, requests those who have any idea of attending the great Pilgrim Play in Hollywood, Monday night, August 21, to secure their tickets today. This urgent request is made for the reason that to secure a special car for the trip the Pacific Electric company must be notified tonight at the latest and unless the necessary number of reservations are made within the next few hours, those who purchase tickets or have already secured reservations will be compelled to reach the city either by auto or the regular Pacific Electric trains. In this connection Mr. Pottenger also requests members of the local chamber of commerce to call at his office for their badges which have been printed and delivered. These badges are to be used on all public occasions and it is suggested that they be used for the first time on Torrance night at the Pilgrim Play.
