#### LOMITA HIGH SCHOOL NEWS

##### Extra

As we go to press the sixth grade  
announces that the coveted flag for  
perfect attendance is floating out-  
side their room. We extend our  
congratulations.

##### To Play Torrance

Our girls will wend their way  
Torrance-ward on Monday to play  
the school lassies of that city. From  
all reports it will be an exciting  
game.

##### Yard Contest

Vona Dean, chairman of the  
Grounds Committee, has formed the  
elementary classes into ave yard  
squads. Beginning with the sec-  
ond and ending with the sixth, each  
grade will have charge of the  
which succeeds in keeping the yard  
in the most presentable condition  
will receive a championship ban-  
ner to hank in the class room.

##### Our Purpose

You will not that our paper has  
come out in different form. For a  
few editions we will be experiment-  
ing but as soon as we have decided  
on the best size, etc., to adopt, Lo-  
mita will have a school paper which  
will be second to none.

##### Wrestling Exhibition

Monday evening at 7:15 Mr. B.  
Howard, boys' physical director at  
entral Junior High School, and a  
group of his boys came to Lomita  
and gave a boxing and wrestling  
exhibition in our school auditorium.  
There was a large crowd in at-  
tendance.

##### The Rally

Wednesday afternoon, a rally was  
held in front of the school build-  
ing, to prepare for the handball  
game with Torrance the same after-  
noon. Wallace Richey, chairman  
of the Athletic Committee, ap-  
pointed Joe Wing temporary yell leader  
and he led us in some very spirited  
yells. Miss Mills also taught us a  
new song which we did not have a  
chance to sing at the game.

##### Lomita Chatter Box

To Frances Billings, Sixth grade,  
falls the honor of selecting the  
name for our school paper.

##### Student Body Meets

The first Student Body meeting  
of the year was held in the Audi-  
torium, a week ago last Friday. The  
president, Neil Blain presided, and  
the chairman of the different com-  
mittees gave their reports and  
plans. There were several speak-  
ers on Amendments 16-14-4, and  
the sixth grade unrushed the pro-  
gram. The orchestra also gave us  
some good music.

##### Recent Games

Wednesday, October 20, the Lo-  
mita boys played Torrance hand-  
ball. Was the game exciting? Of  
course. The score was 4-5 in favor  
of Torrance, but they had a hard  
fight to get that. The first few  
innings looked bad for Lomita, but  
she picked up later and showed  
Torrance what stuff we are made  
of. Nathan Johnson and Neil  
Blain made very good plays and  
helped us to get our plays. Joe  
Wing and R. J. Belcher made good  
pitchers and sent some pretty hard  
balls across.

##### IMPROVEMENTS IN SHOOOL

In the past few weeks many new  
improvements have been made in  
the Lomita school, and many more  
are to follow. The library has  
been remodeled and several new  
book cases added. Fences have been  
repaired and are to be painted soon.  
Railings have been placed around  
the flower beds and 120 feet of  
two-inch pipe has been laid to care  
for the play grounds and keep  
down the dust. H. Willard Todd  
and Miss Irene Mills, teachers, have  
been appointed directors after  
school hours. The grounds will be  
open every afternoon from 3:00 o'-  
clock until 4:30, one of the direct-  
ors being in charge. Estimates  
were out for bids on work for the  
completion of the unfinished base-  
ment and the workmen will soon  
be engaged on this work. The cost  
will be several thousands of dollars.

Seven new garages are promis-  
ed and the large hall up stairs is  
to be finished for a class room at  
each end. When these improve-  
ments are finished, at least a part  
of the crowded condition in the  
school will be eliminated.

##### LOMITA PERSONAL ITEMS

The Red Cross Nursery class in  
the Lomita school is progressing  
nicely. The mothers meet from  
1:30 to 3:00 o'clock P. M. and the  
High School girls from 3:00 o'-  
clock to 4:30 P. M. every Thurs-  
day and Friday.

Mr. and Mrs. W. Mendleson re-  
turned the fore part of the week  
from a visit with their son Louis  
Mendleson at Chatsmore, near por-  
terville. The trip was made with  
R. Geist a son-in-law, going over  
the Ridge route where the scenery  
offered much diversion for this  
aged couple. When they arrived  
in Chatsmore they found Mrs. Men-  
dleson building a new front porch  
and fixing up their home in general.  
The long ride was tiresome for  
them but next morning they were  
up bright and early and enjoyed  
many trips among the large vine-  
yards. They saw orchards of Olives,  
almonds, pomegranates and some of  
the most beautiful scenery in Cali-  
fornia.

##### LOTS OF FUN

There is great fun in this world  
if we do not grow too crabby to en-  
joy it. There is much good in this  
world if we only look to find it.

Lomita News Letter,

Lomita, Cal.

Gentlemen:

We want to appologize to the good people of Lo-  
mita, and surrounding community, on account of our  
inability to take care of the enormous crowds Saturday  
and the first of the week who came to take advantage  
of the wonderful bargains we are offering in high  
grade merchandise, in our Big Opportunity Sale. Had  
our store been five times as large we could not have  
accomodated the crowds. However we hope during  
the rest of this Great Optional Sale to take care of all  
who come. The big reduction in prices will continue  
all through the store and those who have not already  
secured these wonderful bargains or care to obtain  
more will be accomodated.

We are grateful to the good people of your com-  
munity for the interest shown in our Optional Sale  
and the excellent results secured from our advertise-  
ment in your paper. Assured all that they will have  
a wonderful opportunity to save money on every pur-  
chase at our store during this sale, we remain,

Sincerely,

B. B. LIPPMAN,

## A MODERN HOSPITAL FOR REDONDO BEACH

Do you know how many people leave Lomita, Torrance and Gardena Valley  
every month for their own protection?

An investment with us means money returned to you in dividends from a  
home hospital, dedicated to relieve mental and physical suffering.

A 20-minute ambulance service to Lomita, Harbor City, Torrance, Gar-  
dena, El Segundo, Hermosa and Manhattan Beach. It is supported by eighteen  
of the most reliable physicians and surgeons in those districts, and they will use  
the hospital to care for their patients, where all modern conveniences known to  
surgery and hospital equipment will be found. This co-operative spirit of all  
these communities assures success.

### Your Stock Will Surely Advance Before the New Year

Thoroughly equipped with Every Modern Hospital Device is to be opened in Redondo Beach.  
No Southern California Beach will have as commodious and comfortable a hospital as this.  
HOSPITALS EARN LARGE PROFITS and are a continual source of revenue to those who  
were fortunate in securing a financial interest in them.

THE ST. EDGAR HOSPITAL ASSOCIATION, a corporation, has been organized to provide  
the necessary operating personnel. It is the desire of the management to have the co-operation  
of the people of Lomita, Torrance and Gardena Valley and for them to have a financial interest in  
this institution. A limited amount of the Capital Stock is offered the public and will be sold  
at the present price, but a conservative estimate of the possible earnings will quickly force  
the price above par. It is a safe and profitable investment of \$100 or more.  
An interview will be both profitable and interesting to you.
