LOMITA HIGH SCHOOL NEWS

THE PASSING SHOW

A student-body meeting was called to order Friday at two-ten. The program was put on by the teachers. The show proved to be extremely funny.

The first thing on the program was the Hicks orchestra composed of the following: Miss Lee, leader and Misses Brown, Hinchcliffe, Weeks, Cox, Connors, and Erickson. The instruments were not what you would call up to date, but the music, Oh, boy!

There was a boxing match between Miss Mills, famously known as Mile de Meal, and Mr. Todd, the illustrious Professor Heriqlucous Bonzorus de Toad. Mr. Todd seemed to have quite a hard time trying to get the better of Miss Mills. The match resulted in Mr. Todd's getting the worst of the bargain at which there was a great burst of laughter.

Lady Bluff (Mrs. Jack) assisted by Elma Eckman was next on the program. Her animals consisted mostly of rag dogs, dolls, and Teddy bears. She had her pet dog on the stage to save the day. He did a few smart tricks, which drew a burst of applause. The animals as the trainer said had come from Lomita, California, U. S. A. We might have known from their actions which were few and very original.

BALL GAME

And the San Pedro boys said "Pumpkin Center" couldn't beat their girls! If 16 to 5 in our favor isn't beating them, what is?

San Pedro certainly played a very good, clean game of ball, and it was a joy to play them. Their team had received very good training, and were not in the least amateurish. The Lomita team did not get warmed up until about the fourth inning, when things began to happen.

Everyone did their level best to make it exciting, which it certainly was.

Wallace Richey is our star player it seems. She manages to startle the opposite sides by making a home run which she did this time.

The team wishes to heartily thank the teachers who came out of their way to back the team in the game with San Pedro.

THE PENNY DRIVE

The penny drive for the P. T. A. scholarship proved a success. Miss Cox's first grade ran far in the lead in gathering in the pennies. Following is a list of donations:

Kind. & B1	\$1.49	A1-B2	\$2.39
B6-A6	.55	B3-A3	.93
B4-A4	1.33	B5-A5	1.07

THE MOVIES

"Let's go! Let's go!" was the cry from class. "Monkeys an' everything. I know it's going to be good." That evening the doors were swung open to the school and young and old came pouring in to see this wild man, the gorilla. The orchestra gave several selections. This was followed by the two widely known comedians "Mut and Jeff." After this came the great play, "Go and Get It." The play was on. Reel after reel went off. Girls were clapping each other's hands, boys' mouths were open with anxiety. At last the long play was over and each and every one carried the thrills to their homes.

"Go and Get It" is a play that will long be remembered by all those who attended.

HAYRIDE

Well, the High School had another hayride last Tuesday, Nov. 16 at Redondo. We started from here about 4:00 o'clock in machines. I wouldn't call it a hayride, but we imagined it was. We got over to Redondo at 4:30. Some of the crowd went into the plunge, while the rest of us went down to the slides and swings. We did this until it was time to eat, then some boys, Eddie Vetter, Joe Wing, and Edward Van Derbecken went to the lumber yard after some wood. After they came back, we all went to Clifton. There some of the boys started a fire, while some went to Redondo after paper plates to eat on.

We surely all were hungry, and especially Mrs. Eckman who looked weight. When Mrs. Roberts came over to meet us, she brought some weiners with her which we roasted over the fire.

When we finished supper about 6:30 we all decided to go back to Redondo. Some wanted to go to the show while others wanted to dance. After the show, we all went to the dance hall, where we danced until 9:15. Then we went to the machines to start for home, but the funniest thing happened. Eddie Vetter couldn't get his Ford started. He cranked and cranked.

Pretty soon Joe Wing came over and said he could get it started easily, so he cranked and cranked but the engine didn't make a sound. They worked on it about an hour until Mrs. Eckman decided to go down to the garage and get a tow rope. When she came back they tied the Ford to the Hup. Then we all started for home. We arrived in Lomita safe and sound at 10:30. Everybody was happy excepting Miss Griffin, who had eaten too much chocolate cake. Those present were: Leo Sidebotham, Neil Blain, Eddie Vetter, Edward Van Derbecken, Nathan Johnson, Joe Wing, Preston Roberts, Mrs. Eckman, Miss Griffin, Miss Weeks, Freda Hall, Barbara Lewey, Lenora Durant, Leila O'Quinn, Wallace Richey, Alice Pollock, Edwina Nelson, Lois Plumb, May Archer, Mable Autry, Alice Johnson, Mrs. Roberts.

THE PIG FINDS A HOME

The pig assigned to this school by the agricultural department has been purchased by Marshal Richey. It will be Marshall's duty to keep careful record of the grain in weight and the cost of raising the pig and to make a report to the agricultural classes. His records will be compared with those from other schools.

CHATTERS

Two new teachers have been added to the faculty. Mr. Warner, the agricultural teacher, comes on Tuesdays and Fridays, and Mr. Godfrey for sloyd on Mondays and Wednesdays.

BE SOMEBODY

If I persist in thinking and affirming that I am a nobody, that I am "a poor worm of the dust," that I am not as good as "other" people, I shall after a while begin really to believe this, and then a fatal acceptance will be registered in my subconsciousness, and the mental machinery will begin to reproduce the "nobody" pattern. If I radiate the thought of lack and of weakness, of inefficiency, the pattern will, of course, be woven in weakness, failure, poverty.—O.S.M.
