### HELP THE TIRED WORKER

The Pacific Electric has issued an appeal for Christmas shoppers to arrange their trips so that overcrowding cars will not work a hardship on the workers night and morning.

Each day from 6 to 9 a. m., and from 4:30 to 6:30 p. m., every car this railway has (except those undergoing repairs) is in service moving the workers to and from their work, and at best some must stand for a part of their journey.

During the Christmas period, will you not contribute to the comfort of many tired workers by planning your journey to and from the city between 9 a. m. and 4:30 p. m. Will you help us to serve best those who need service most?

### CARD OF THANKS

We wish to thank our many friends for their kindly assistance during the sickness and death of our dear mother. Also for the beautiful floral offerings.

Mr. and Mrs. A. B. DENNY.
