LOMITA JUNIOR C. E. HIKE

Saturday, November 27, thirty boys and girls of the Lomita Junior Christian Endeavor, congregated at 9:30 a. m. for their long planned trip to George F. Canyon. All those on the losing side were burdened with lunch for themselves as well as for the winners, in the recent contest. After reaching the end of the journey, a camp fire was built, sweet potatoes were roasted and stew prepared for the hungry bunch of hikers. After lunch, an hour was spent exploring the canyon, securing ferns, and searching for holly. Then the trip home was started, every one happy that all were returning safe and sound. Just to prove we had laughed too soon, the one accident of the trip occurred. One of the group, Edward Morter, in trying to secure water for the thirsty children, dropped his pail into the spring. In a moment he was in after it. When he secured his treasure he came back to us a very wet boy. A quick trip was then made to the home of Claudia Roberts, where he changed to dry clothes and was none the worse for his experience. While waiting for Edward to reappear, children in clean starched clothes began to come, and soon all were surprised to see a big cake with nine candles on it, glasses of lemonade and slices of watermelon coming toward them. Claudia then suddenly remembered she had a birthday. After a happy hour together, all returned to their homes, and are now looking forward to their trip to Clifton-by-the-sea, during the Christmas vacation.

Mike McCabe of North Narbonne avenue, arrived home Saturday from the Seaside hospital, Long Beach, where he has been for the past three weeks, and where he underwent an operation for stomach trouble. It was a joyful home-coming, as he was taken to their new home on No Narbonne which is just being completed by Jim Becham.

WIND STORM

A severe windstorm passed through this section Saturday night and put a damper on many parties previously planned to see the movies.

EXTRA THRILL

"Are caterpillars good to eat?" asked little Tommy at the dinner table.

"No," said his father. "What makes you ask a question like that while we are eating?"

"You had one on your lettuce, but it's gone now," replied Tommy.

LOMITA SCHOOL NEWS

Popcorn! Peanuts! Candy! Oh! Don't you want a popcorn ball? This is what the High School and Intermediate pupils who are planning to go to the Los Angeles City Play Ground are crying, for they are trying to raise enough money to take about twenty-five pupils and teachers there on the twenty-seventh of December.

Last week they made about fifteen dollars selling popcorn, peanuts, and candy. If you see a happy bunch of boys and girls of the Jolly Hikers Club trying to sell anything you may know that they would appreciate a boost.

FOURTH DISTRICT CHAMBERS

The annual meeting of the Fourth District Chambers of Commerce met in Assembly Hall, Torrance, last night and matters pertaining to every chamber of commerce in the Fourth Supervisorial District were considered. Those elected for the coming year who will have charge of directing the affairs of the organization, will be given next week. Refreshments were served to delegates from Torrance, Long Beach, Harbor City, Lomita, Gardena and Redondo.

"DUFFYHASIT"

One of the most unique advertising campaigns in the history of Redondo Beach is being conducted by "The Hub," whose proprietor is known as "Duffy" and whose slogan is being heralded far and wide, "Duffyhasit"—If It's Right. "Duffy" is one of the most particular gent's furnishing caterers in all the beach cities and his complete line of merchandise has the distinctness of being "nifty" and "classy," two of the features in selecting wearing apparel for men and boys that "pull" trade to The Hub.—Adv.
