### BUYS BACK OWN BUSINESS

A. B. Davis is again behind the counters of the Lomita Grocery Store, having re-purchased the store from his successor, W. L. Luck, who owned the store for three weeks. Mr. Luck gave as his reason for selling as ill health, the short period he was confined in the

store proved aggravating to an old ailment and he was compelled to seek an open vocation.

On the other hand, Mr. Davis was restless with nothing much to do and is now hustling as before in caring for a large patronage at his grocery store.

### YULETIDE CHEER

This is the season of Christmas when peace and good will are the order of the day. It is this time of year, if at no other, that the heart of the world warms and softens. When Yuletide spreads its mantle of Christian charity over all the world, the childless yearn for children and the fathers and mothers long for more that they may give more to those they love.

But gifts of material things are not all we can bestow. A word of gratitude, an expression of appreciation, an acknowledgement of a duty well performed—hang some of these on the Christmas tree of happiness and help spread the glow of general good fellowship.

### LOMITA LOCAL NEWS

Jones and Brown are talking to you in next week's issue of the Torrance Enterprise. See Dominguez Land Corporation Adv. D-17.

### CHRISTMAS TREE AT CHURCH

There will be a Christmas tree at the Lomita church on the evening of Thursday, December 23rd, at 7:30 o'clock, to which all are cordially invited. There will be a free will offering taken for the children of Syria and Persia, who need our help. During the war this country cared for many of these children, many of whom are orphans. The problem now is to provide educational advantages for them but most important of all is to bring to them the message of Christ.

There will be a program rendered which follows, entitled, "Following the Star."

- Organ Prelude.
- Processional Hymn.
- The Holy Word.
- Prayer, by pastor.
- Song by Junior department.
- The Three Wise Men.
- Hymn—"O Little Town of Bethlehem."
- Bethlehem. "The Gifts."
- Song by primary department.
- "Away in a Manger."
- The Other Wise Man. Recitation by a senior boy.
- Carol—"Star of Beauty Bethlehem Star."
- Address by superintendent.
- Offering for boys and girls of Syria and Persia.
- The Holy Word.—Scripture read in unison by the school.
- Offertory prayer.
- Recessional Hymn.
- Benediction.

### VISITS NEWSPAPER OFFICE

Sam Rappaport of the Hub Clothing House, Torrance, was a visitor in Lomita yesterday and stopped at the News Letter office to look over the plant and see the making of a fourteen page newspaper. Mr. Rappaport stated he was enjoying a big Christmas trade.

### LOMITA'S QUEEN

Not to be outdone by neighboring communities, Lomita will have a "Queen" at the Long Beach Exposition from January 31 to February 5 as the guest of the Long Beach chamber of commerce.

At the meeting Monday night of the Business Men's Association a "Queen" committee was appointed by President Stinton, consisting of Mrs. Julia Autry, E. W. Brumpton and M. P. Richey. They were to get in touch with the Lomita P. T. A. and co-operate with that body in selecting the prettiest girl for Lomita's representative at the coming fair in Long Beach.

All girls are eligible, and will be voted upon in a manner decided by the committee. Tickets will be sold for cash, and the funds will go towards buying the young lady's gown who is decided the winner. The Lomita Queen will act as attendant to the Long Beach Queen for one week, expenses all paid and will participate in all court functions at these gala affairs that will occupy her time for one week. Now get busy, and vote for your favorites.

### LOMITA BIRTHS

Friday, December 9, is a day long to be remembered in Lomita. On that date a seven-pound baby girl was born to the wife of A. J. Stinton, cashier of the State Bank of Lomita. Mrs. Stinton has gone to the Angelus hospital, Los Angeles where she is doing nicely. Mr. Stinton was absent the greater part of two days last week from the bank and returned with a broad smile and remembered his host of friends with the customary token of proud fathers. Mrs. Stinton and Baby Mary Agnes will return to Gardena Sunday, and will remain there with her mother and father. Mr. and Mrs. Adams, for several days before she returns to Lomita.

On the same day a baby girl was born to the wife of Mr. F. L. Woodard of Narbonne avenue. Both mother and daughter are doing nicely.

See what Jones and Brown have to say in next week's adv. of Dominguez Land Corporation.—D-17.

### NEWCOMER-OSBORNE

Henry A. Newcomer and Miss Mildred Osborne of San Pedro were married December 8, 1920, and are now living in San Pedro. Mr. Newcomer is one of the popular stage drivers on the Redondo-San Pedro busses, and his bride is a popular young lady of San Pedro. Later on Mr. and Mrs. Newcomer will reside in Lomita.

### LOMITA VS. UNION TOOL CO. OF TORRANCE, SUNDAY

Sunday the Lomita ball team will go up against the Union Tool team from Torrance. From all reports this is a good team and if you desire to see Lomita win a hard fought game, this is your chance.

A left handed "humdinger" pitcher for the Torrance bunch, and he has lots of steam. Watch Lomita hit the ball Sunday. We ought to after what happened last week. Be sure and come.

### YE OLE' TIME SHUFFLE

On Saturday evening last Officer Carpenter hearing a noise over in the hall, hiked up the stairs jumps at a time, and when he arrived, found about sixty couples of this city enjoying themselves in an old time shin dig of the square dance. G. B. Hawkins and H. King were very conspicuous as leaders in the dance sets with Mr. Funk at the piano and it was very evident that the folks were greatly enjoying themselves. A few of the younger generation were on hand for a short time, as a fine for jazzing was the order of the evening. Mr. Preston proved to be a wallflower as he did not dance during the absence of Mrs. Preston. J. A. Boecker failed to be there to lead the grand march as scheduled and the crowd was disappointed in not seeing Mr. Hawkins and Mr. King do the Highland Fling. Mr. White was the official caller for the dances and at first it was thought he was a double ventriloquist, but proved to be someone else calling for another set, confusing the dancers and creating a lot of amusement and laughter. The dancing ended at 11:30, everyone glad they attended. These folk parties will be repeated every month in order to get the people of Harbor City better acquainted.

### WAR WITH JAPAN

It won't down, and it won't stay quiet when it is down—this old bugaboo about our having war with Japan. We are hearing a good deal of it just now, but it is coming largely through fear, and partly through politicians who have an axe to grind.

There is a possibility, of course, that we are going to have some very serious questions to settle within the next few months, questions involving our relations with both Japan and Mexico. But we do not believe, and we feel that citizens who are watching events closely will bear us out, that Japan is not as anxious to become involved trouble with the United States as a few politicians and the jingo press would have us believe. In fact, since she had an opportunity in the world war to get a slight idea of what we can do, Japan is more determined now than ever to look before she leaps.

At the same time we are waiting to see what steps the new president of Mexico will take to restore friendship between his country and our own. And we recognize, too, that in this instance moneyed interests, instead of politicians, are largely responsible for the strained relations which exist between the two countries. But somehow we can't bring ourselves to feel that either Japan or Mexico are going to be tricked into trouble by a few men who are anxious to bring about war for what they can get out of it. We know the United States is not "easy" enough to be led into such a frame-up.

See what Jones and Brown have to say in next week's advertisement of the Dominguez Land Corporation in the Torrance Enterprise.—Adv. D-17.

## The KITCHEN CABINET

"Soup makes the soldier," said Napoleon I, but Napoleon III wisely suggested that "a soldier could not be made on soup made out of nothing."

### SUMMER FOODS.

Have a good bed of spinach to use as long as the family enjoy it, then can what is left

for winter, adding a few carrots, a stalk of celery and an onion for flavor. This mixture is especially good for small children just beginning to eat vegetables.

**Baked Spinach.**—Wash two pounds of spinach and cook without adding more water. Drain when tender, chop. Mash the yolks of two hard-cooked eggs and mix with the spinach; season well with salt and pepper. Line a deep buttered baking dish with the spinach, dot with bits of butter or cubes of salt pork. Beat three eggs lightly, add four tablespoons of milk, three-fourths of a cupful of grated cheese, the chopped egg whites, one-fourth teaspoonful of mustard and paprika to taste. Pour into the spinach, mold and bake till the custard sets.

**Molded Salmon.**—Take two cupfuls of cold boiled salmon or a can of salmon, one tablespoonful of lemon juice, one egg yolk, two teaspoonfuls of sugar, one tablespoonful of flour, one teaspoonful of salt, paprika and mustard to taste, two tablespoonfuls of melted butter, two-thirds of a cupful of milk, one-fourth of a cupful of vinegar, one tablespoonful of gelatin softened in one-fourth cupful of cold water. Mix the dry ingredients, beat in the butter and milk, add vinegar. Cook in a double boiler, stirring until the mixture thickens. Add the gelatin, then the salmon, mix well and pour into molds. Serve on a bed of lettuce with any desired dressing.

**Wilted Cucumbers With Sour Cream.**—For those who can enjoy a cucumber without crispness this is a tasty dish. Slice cucumbers and put into salted water until wilted. Rinse in fresh, cold water and dry on a cloth. Season with salt and pepper and serve with thick sour cream poured over them.

**Stuffed Peppers.**—Parboil shapely green peppers, cut off the stem ends and scoop out the pulp and seeds. Fill the shells with seasoned crumbs, sausage or any chopped cold meat. Bake until well done, basting with melted butter. Serve on toast.

### FIRST BAPTIST CHURCH

"Christ Superior to the Angels" will be the subject discussed by the pastor Sunday morning at eleven o'clock, being the second sermon of a series on the Book of Hebrews. A knowledge of some of the "better" things in Hebrews will help much to encourage the Christian and impel him to "the upward look."

### SONG SERVICE

A bright song service lasting fifteen minutes will precede the evangelistic message "God's Message to You," at the hour of 7:30. Christ said "Ye must be born again." If you are not positive that you are on the right road to Heaven, hear what God has to say about you. "Get Right With God."
