## SELLS DAIRY COWS

L. E. Dawson, Lomita, sold at auction, Saturday, his twenty head of fine dairy cows, and the receipts of the sale were better than expected. Some of the critters, however, brought less than was paid for them, while others run higher than cost price. The grand total more than evened things up.

## "BABY DOLL" DRAWS CROWD

Another record-breaking crowd in the streets and stores of Lomita was on hand last Saturday night. In response to the announcement by J. W. Barnes of the Renn & Barnes Dry Goods Co., and that of W. A. Renn, that a Santa Claus and Xmas tree would be "lit up" with electric candles, and ten prizes would be given away to those holding the lucky numbers which were given away during the day's sales.

Santa Clause was there and took charge of awarding the prizes.

The Prize Doll was won by Norman Groves, son of Mr. and Mrs. Gordon Groves of Lomita Bakery. He purchased the lucky ticket "1415" about 7 o'clock Saturday evening and gave his grand mother's name, Mrs. S. L. Groves. There were ten prizes besides the doll given away.

Tenth—Mrs. J. H. Pickering, Brethern street.

## LOMITA CHURCH NOTES

The Christmas story was told in both services. In the morning the pastor spoke on "The Angel's Message," from the text: "Behold, I bring you good tidings of great joy which shall be to all people. The most wonderful and far-reaching event in human history was not—any human discovery or invention, but the birth of the babe of Bethlehem. We are not surprised that an angel was sent from heaven to announce it. His message was the gospel, good news of salvation. It was a joy-bringing gospel, and a gospel for all the world.

"The Gospel Psalms" was the evening subject. The psalms are found in the first and second chapters of the Gospel of Luke. There

was an outburst of poetry and song at the birth of Jesus, well befitting his coming into the world. So the Christian church has its Oratorio of Handel's Messiah, with Anthems, hymns, and carols which tell the story with inspiring words and music. The music of the evening was enchaned by a solo, "Carol Sweetly Carol," sung by Mrs. Brumpton.

The pastor will be absent from

Lomita, Sunday, December 26th. In his absence, the pulpit will be supplied by Rev. D. L. Temple of Long Beach.

So many people think that everything is wrong which they do not understand.

# Just Received 5 Car Loads of NEW FORDS

## This Is Our Christmas Greeting To The People of Torrance—Lomita—Harbor City

The Actual Sales Is the Real Test of the Worth of Any Automobile, and in This the FORD Has the Wide Approval of the Public.

## FORDS REPAIRED

The equipment used by Spears & Boyer, Ford dealers in Gardena, has been developed to a point where repairs can be made in one-quarter of the time it previously took, and at the same time much more accurately.

The burning-in and working-out machine is just one of the many machines perfected to do one particular job well and efficient in most shops it requires six hours to scrape-in and set a main bearing in a Ford car, but now the same operation can be performed with this new machine in 45 minutes and about 40 per cent more efficient. The original Ford bearings are burned-in by this method, which is considered by experts to be one of the reasons why they are so enduring.

Taking it from any angle the customer gets the best end of the deal in a modern repair shop. First, he receives quicker service, second, more accurate workmanship, third, as mechanics are very scarce and the wages very high, these labor saving machines reduce the amount of his repair bill.
