KEEPING TRADE

WORLDWIDE READJUSTMENT all commodities have long been given a great deal of thought and the lowering of prices on the advertisements on this page all have a message to carry, namely, "To carry the message to and vicinity of the value of trade special prices are quoted by each but is done for the sole purpose to visit the different business houses familiar with prices, quality and prevail every day in the year. All a comparison of the goods they have in other stores, even though they be "Chain Stores," or widely advertised.

There are 600 families living in Lomita, and it is evident that not all the trade is done in this true, Lomita could support retail stores. Your home merchant, and one of our merchants as to offer to meet any other store conditions that they receive you think it would be profitable for them to investigate his proposition? All but are constantly "digging" down to help make Lomita a more desirable place to live and to keep her name prominent. Outside merchants care little for you their merchant, take your "Lomita shift for yourself in all important places! Read every page and note the savings you can get your home merchant, Saturday.

These prices will prevail Saturday, even more startling reductions will prove to you that there is a question of "Trading At Home" merely buying your Sunday supplies is one of the greatest movements in Lomita, and if followed out strictly will soon be one of the busiest little towns in the state.
