

MRS RAY WAUGH WINS \$5

The Five Dollars in Gold offered by the "News Letter" to the one buying the greatest amount of merchandise last Saturday in the "Trade At Home" buying contest was won by a small margin by Mrs. Ray Waugh of Pennsylvania street, Lomita. A close second was Jessie Johnson, who was only \$1.35 cents behind Mrs. Waugh.

Mr. Johnson did most of his buying of Jack Levy's Men's, Boys', and Ladies Furnishings, while Mrs. Waugh purchased the bulk of her merchandise of Renn's, and Renn & Barnes. The total of their purchases were added up after the tickets had been turned in to the News Letter office and totaled. Tickets will be on file here this week and may be verified by those who wish to see them.

Trade At Home Day, Saturday last, proved to be a whirlwind success, and many merchants were rushed all day long.

TORRANCE

TORRANCE SCHOOL NOTES

All of Torrance School, teachers and pupils alike, were delighted last Tuesday morning by the arrival of Mr. Kenneth Robins, long looked for, but almost despaired of, physical training teacher. Mr. Barnett has been trying since the beginning of the school year to find a competent teacher for this position, so we are glad that at last one is here. Mr. and Mrs. Robins are making their home at 2703 Portola.

On Tuesday afternoon, the eighth grade and high school, meeting together, listened to an interesting talk on the Near East relief work, given by Miss Woods, representative of that movement. Miss Woods addressed the Parent-Teacher Association on the same subject on Wednesday afternoon.

Mr. Barnett is with us again after a profitable and wholly enjoyable week spent at the convention of high school principals at San Rafael. He is looking very round and rosy, due to a too close acquaintance with poison ivy, met during his stay at San Rafael.

COLORADO PICNIC

All who ever lived in Colorado are invited to meet for the great annual picnic reunion, all day, Saturday, February 26, 1921, in Sycamore Grove Park, Los Angeles. All tourists and visitors from the old home state as well as residents are requested to attend. Bring a basket well filled and share with friends. Coffee will be served free to all who buy the souvenir badge.

No man ever gets so powerful but some weak little woman can set her foot on his neck anytime she wants to.

FIST BAPTIST CHURCH OF TORRANCE

The revival which has recently broken out in Toronto and which bears such a striking resemblance to the Welsh revival of a few years ago, demands an explanation. The pastor will speak on the subject at the morning service:—"Personality of the Holy Spirit."

He will show from the Bible that the recent revivals are purely the work of the Holy Spirit.

BAPTISMAL SERVICE

The stirring of the Baptismal waters interests all New Testament believers. As the conclusion of the evening service this ordinance will be observed. Song Service commences promptly at 7:30.

NEW MEMBERS

The right hand of fellowship will be extended at the morning service to those who have recently followed the Lord in baptism, and to those joining the Church by experience or letter.

BIBLE STUDY AND PRAYER

They go hand in hand. Bring your Bible and study it with others at the Bible Study Class which assembles Wednesday evening at the hour of 7:30. The prayer meeting follows the Bible study.

'Study to show thyself approved unto God.'—Tim. 2:15.

SNAP SHOTS

Many a man reaches the point every now and then when he feels that his life is devoted solely to raising children, raising taxes and raising what Sherman said war was.

The reason Dad's pants are no longer cut down for Willie is that when he gets through wearing them there's no room amid the holes for scissors to get a footing.

LOMITA

LOMITA CHURCH NOTES

The Sunday school registered an attendance of 151, several new pupils being enrolled. The church services were in charge of the evangelist, Arthur O. Dowe, who preached two strong and impressive sermons. His morning sermon was on "The Greater Joy of Service," in which he urged upon his hearers the joy of leading others into the Christian faith. In the evening he spoke on "Four Liars, one of whom lives in Lomita." In this sermon he examined the excuses that are commonly given for not accepting Jesus Christ as a personal Saviour.

The song service, morning and evening, was led by Mr. Hubert Jordan, of the Shorb Avenue Presbyterian Church. Mr. Jordan's father is the pastor of that church. Large congregations were present and enjoyed the spirited singing as well as the messages given by Mr. Dowe.

The two Christian Endeavor Prayer meetings were well attended. The intermediate society was led by Herbert Lewey and Henning Franzen.

SPECIAL SERVICES AT THE LOMITA CHURCH

The second week of the evangelistic meetings at the Lomita Church began Tuesday evening, February 16, and will continue until Sunday, February 20, closing that night. Large congregations have listened with earnest attention to the messages given by Mr. Dowe. The services are greatly helped by the song leader, Mr. Hubert Jordan. Many young people attend the meetings, and are enjoying these services. Lomita is favored in having these two

leaders in gospel services. Everybody is invited and all should endeavor to attend as many meetings as possible.

REAL ESTATE ACTIVITIES

Mrs. Julia Autry, real estate agent of Lomita, reports the sale of one acre on Oak street to M. Anderson of San Pedro; one-half acre on Flower street to L. W. Hippensteel of Miller street. Hippensteel also

purchased the adjoining half acre of L. J. Hunter's agency.

W. C. Bright, reports the sale of two acres, corner of Miller and Pennsylvania streets to Wm. Rogers of San Pedro.

A little boy was once asked what the shape of the world was. He replied that he wasn't sure, but his papa said the world was in a h— of a shape.
