

103 ANIMAL ACTS PUTS BARNES SHOW IN CLASS BY ITSELF

No Other Organization On The Road Offers Such a Wide Range Of Entertainment

Just as the ponderous, pea-eyed, palm-eared pachyderm towers above the miserable, morbid, and melancholy mouse, does the Al G. Barnes Bib 4-Ring Wild Animal Circus overtop all other tented aggregations. In the steel-barred cages of the Barnes show are to be found the greatest collection of wild animals ever before gathered en group. Even opposition circus men reluctantly admit it. Animals, like figures, can't lie, and all may be counted. It is the boast of Al G. Barnes that under the canvas of his big 4 ring show may be seen the finest and best examples of jungle, plain and desert life. Each in his way is a perfect specimen. And, what is more, each is trained. In all, 103 animal acts are presented.

Years have been spent in making the collection unique, novel, and extraordinary. Patrons of previous years have been lavish in their praise not only of the animals as exhibited, but in the remarkable prowess of the Barnes trainers, for each has in his way, achieved the hitherto impossible.

But the merit of the past is naught compared with the supremacy of the present. Scarcity and prohibitive prices have prevented circus owners generally from increasing their collections. But not the Al G. Barnes 4-Ring Wild Animal Circus. Throughout the winter, while the big show was in its southern California winter quarters, agents of Owner Barnes have scoured Europe and Asia for newer and finer specimens of forest and jungle beast. Even now the great menagerie is not complete, although by far and away the best in the country, and new animals are arriving almost daily.

The Al G. Barnes Big 4-Ring

Wild Animal Circus with its long trains of cars will reach San Pedro on the morning of Thursday, March 17.

Two performances will be given, afternoon and evening, following the "two-mile-long monster" free street parade at 10:30 a. m.

First will be shown the greatest spectacle of modern times, the splendid, spirited, and scintillating "Alice in Wonderland" a rollicking fantasy of fairyland, designed and produced under the personal supervision of Al G. Barnes.

In the steel cages shown under the great canvas dome will be performing jungle-bred African and Nubian lions, Bengal tigers, leopard, jaguars, pumas, Russian, Grizzly and Polar Bears, Elephants, camels, zebras, etc.

TORRANCE HIGH SCHOOL

On Friday night of this week, March 11, there will be a social meeting of the Torrance Parent-Teacher Association. It will be just one year since the organization of the association. During the past year the organization has grown rapidly in numbers and strength, and is making itself felt in the school. The co-operation between teachers and parents was never as good as it now is and the Parent-Teacher Association has been one of the greatest factors in bringing this about.

On Tuesday afternoon of this week the physical training teachers of the high school, accompanied by a number of the other teachers took the high school girls physical training class to the Redondo plunge for a swimming lesson. This is a new feature of the physical training work in the high school and whether we continue to give the pupils lessons after school in the plunge will depend upon the desires of the patrons of the school. It is considered by all as the most healthful exercise and will be a great benefit to those who participate.

FRANK SAMMONS RESIGNS AS MANAGER OF LIME COMPANY

In connection with the announcement of the change of management of the Torrance Lime and Fertilizer Company, Frank Sammons stated yesterday that his retirement as manager had long been contemplated because of the rapid growth of his contracting and building business, but this action was delayed until a suitable and capable man could be found to fill the place and care for the rapid growth and demands of the lime fertilizer business. Mr. Sammons has ably managed the business since its infancy, and his resignation was reluctantly accepted by the board. To show their appreciation of his untiring efforts in promoting the affairs of the Torrance Lime and Fertilizer Company, the board of directors and officers of the company tendered Mr. Sammons a banquet in Los Angeles one evening this week, and it was in the wee sma' hours of the morn' E'er they allowed their guest to depart. Pure lime water was served—secured from one of the springs on the company's property.

LOCAL MAN INVENTS TIMER

J. R. Winters of N. Gramercy Torrance, has placed upon the market a new timer, of his own invention, and claims his new device will eliminate many troubles of the automobile. Mr. Winters has been working this new auto accessory for months, has tried it out with the best of results, has applied for patent, and is doing extensive advertising to acquaint automobile owners of his meritorious efforts in giving them just what has been needed for so long to eliminate the "miss" in cars.

The pupils now have the opportunity to learn to swim under the direction of an expert instructor.

camp. I love to sing for folks just regular American folk. There is more heart-satisfaction in it than in singing to the jeweled horshoe of the Metropolitan. I like to feel myself part of the family and one cannot do that of course with an opera audience. There is more in singing if one is sincere than in just earning the plaudits of the multitude.

tributed to the subscribers, who have made this Assembly possible for Torrance, by giving their moral and financial support.

The ticket selling campaign is in full swing. Every subscriber is doing his utmost to carry this year's Assembly over the top in grand style. The program is an excellent one this year. The price of the tickets are so moderate that no one can afford to miss this year's Chautauqua.

Tickets are for sale by all the merchants. Tickets are for sale at both the Drug Stores in Torrance. Tickets are for sale by most of the Subscribers.

Buy your tickets early. They are going fast. Students and children's tickets will be distributed and for sale by Prof. Barnette of the Torrance High School.

Tickets Are Sold Free of W. Tax. Adult Season Ticket—\$2.50. Student Season Ticket—\$1.50. Children's Season Ticket—\$1.00.

Get into line—do your bit and boost for the Chautauqua.—W. T. Khusman, Chairman Executive Committee, Torrance Assembly.

At the close of the business session the hosts and hostesses, Dr. and Mrs. Neelands, Dr. and Mrs. J. S. Lancaster and Mr. and Mrs. Stranahan had charge of the social activities. Everyone has a lively time for about two hours after which refreshments were served.

CONTRACTOR HOLM BUSY

John Holm, a building contractor for many years in the East, but who retired for a rest a year ago, has been forced to engaged in the building line again, finding the call irresistible after his restoration to health. And now he has purchased four lots on Cota street of Frank Sammons. Recently he completed a four room house, which Mr. Holm has listed for sale and, invites inspection by those desiring a most complete and comfortable residence. He also has the contract to build a modern home for E. L. Guth at 1015 Portola street, and is starting this week a four room, with screen porch, bath, etc., for A. G. King of the Hammerton which the owner will occupy by the fifteenth of this month.

Roger W. Robson, the statistician, has estimated that strikes during the months of August and September, 1920, meant 11,792,000 days of idleness.

FREE KITCHENETTE

HAND-OUT LUNCH

The Young Men's Bible Class of the First Baptist Sunday School, meet at the church Saturday night, March 12. This gathering is for the members and any young men who would like to be affiliated with this organization. There will be many matters of interest to talk over at this time and it is hoped that every member will be present and bring some young man as a new member of the class.

There will be a "Free Kitchenette Hand-out Lunch," and a generally good time is expected. Rumor has it that Mr. Andem will render a solo, singing the "air" with one lung and with the other lung "barefooted." You young men should not miss seeing and hearing what goes on at this sociable.

FIRST BAPTIST CHURCH OF TORRANCE

Services of special interest have been arranged for Sunday, March 13. In the morning the pastor will preach on the topic:

"JACOB'S LADDER"

In the evening the regular Song Service at the hour of 7:30 at which time there will be a

CHORUS REVIEW

Bring your special song leaflets, and come prepared for a good old fashioned Gospel Song Service. Bring your unsaved friends and help lead them to Christ.

"THE LORD'S SUPPER"

The Sunday school lesson for this Sunday will deal with this ordinance of the church, and the pastor will teach the Bible Class. Those wishing to obtain a clear idea of the significance of this Supper are requested to bring their Bibles and attend this class which meets at the hour of 9:30 a. m.

"GIDEON"

"The Anxious and the Reckless Leader," will be the title of the sermon Sunday evening. This series of four sermons on Four Great Judges of the Old Testament should interest you.

"And I will strengthen them in the Lord, and they shall walk up and down in his name, saith the Lord."—Zech. 10:12.

REV. STANLEY H. THORPE, Pastor.

TORRANCE P. T. A. TO BUY MOVING PICTURE MACHINE

The Parent-Teacher Association of Torrance has been working for nearly a year to raise sufficient funds to buy, for the school, a moving picture machine. On Friday night of last week they gave a very successful entertainment in the auditorium of the school building. The largest crowd ever in the auditorium was in attendance. Everyone enjoyed the entertainment and felt it was a great success. Mr. Rudeen gave the program for the ladies which consisted of whistling and initiation of bird songs. Two reels of moving pictures of the early life of Lincoln were enjoyed by all, especially by the children. The moving picture is considered by all to be the greatest educational factor in existence today and to know that we will soon have one in our school fills the pupils' hearts with joy. The University of California has a large number of films which they are furnishing to the schools at a very nominal price. The county superintendent's office is also collecting a large library of the best films. The city school system and the city school library are furnishing films at no expense to the local schools. Films can also be procured from many moving picture firms but the school pays for the cost of handling. This places a large assortment of films at our command, giving us a wide selection and almost unlimited supply of material which will increase the efficiency of our school system in a way that nothing else can.

The bust of Lincoln was offered as a prize to the upper grade which sold the most tickets. This was won by the 7th grade. The amount of money collected by the different rooms is as follows:

High School	\$22.70
Eight Grade	\$15.65
Seventh Grade	\$26.00
Sixth Grade	\$16.30
Fifth Grade	\$6.80
Fourth Grade	\$17.20
Miscellaneous	\$53.80

The regular P.T.A. meeting was held on Wednesday of this week at 2:30 o'clock in the Principal's office. Of this more will be said in next week's issue.
