OUR APPRECIATION

It has always been our custom through life to acknowledge courtesies and attention shown us by informing our customers in some manner that we appreciate these favors. Since opening our dry goods store here we can truthfully say that you have evidenced your approval of our efforts in giving you high-class merchandise by your continued patronage. We have never offered bargains on a single item that we have not felt your ready response to buy them at the low prices we placed on each and everyone of them. No higher compliment could possibly have been tendered us, and it shows, too, that the people of Lomita and vicinity are up-to-date on what the markets afford, and that you realize the prices on Dry Goods, Lady's Furnishings, Children's Wear, Men's Furnishings and Shoes. We thank you!

WE THANK YOU

We claim that the most important news in the "News Letter" this issue, is contained in our advertisement herewith. News, to be of importance to subscribers must be alive, timely and carry with it a message that everyone in the community wants to learn about. "News" that affects the pocket-book is thrice fold interesting, because the saving in buying these days is of paramount importance and you cannot evade the fact that you are interested in saving on the necessities of life. Read our advertisement—and then tell us what you think of it. It's great stuff, and we believe we know our customers well enough to know you will appreciate our efforts in laying before you the greatest bargains of the season on exclusive merchandise.
