## TORRANCE SCHOOL NOTES

The Torrance school will soon have another community sing. Watch for the date later.

The Torrance school faculty is teaching under difficulties these days, as there are several large holes cut in the west walls of the building, and workmen are busy excavating for the new building. The wind blowing through every afternoon makes it most annoying for both the teachers and students. The only pleasant part of it is the thought of the new building.

Mrs. Jennings, teacher of the fourth grade, has been transferred to another part of the city school system. Mrs. Kenneth Robbins, wife of the physical culture director, has filled the vacancy. Mrs. Robbins substituted for Miss Russell, third grade teacher, while she was ill, and proved to be very efficient as an instructor.
