The insurance claim of the late Mrs. Carrie B. Morford was promptly paid by the Women's Benefit Association of the Macabees within two days after the papers were received at the home office.

Miss Ruby Vera and sister of Torrance spent the week visiting friends in San Diego, San Bernardino and Murieta Hot Springs and report a delightful trip and visit.

The Sunday chicken dinner given last Sunday at the McKinley Inn May Day Opening, was well patronized. The "Inn" was beautifully decorated with May flowers among those who were there were Judge and Mrs. Post, Dr. and Mrs. J. S. Lancaster. One of the guests was heard to say, "That it was the best home-cooked dinner he had eaten in Southern California and was surprised that there was not a long line of people waiting their turn to be served."

Mrs. Josephine Hedge of Los Angeles, district deputy of the Royal Neighbors of America Auxiliary of the Modern Woodmen of America, a benefit society governed by women, is in Torrance organizing a Camp. TORRANCE SCHOOL NOTES

Torrance, Calif.
S. C. Dike returned from San Diego this week and has decided to leave Torrance. He will make his future home with his son in San Diego. We are very sorry to lose our newly-made friend, but our sympathy goes with him to his new home. Mr. William J. Conley will take Mr. Dike's place as janitor. Mr. Conley comes to us very highly recommended, having been employed by the city school system for some time. Mr. Conley expects to move to Torrance as soon as he is able to find a home.

Little interest has been shown in the election held in the principal's office of the school today up to 3 o'clock; the time when this article goes to the printers. Twenty-five people had voted. It really seems that people should take more interest in school elections.

A few weeks ago Mr. Matthewson gave a moving picture demonstration to the pupils on safety devices. On Tuesday of this week the need of such advice was found necessary when Matsuo Takazuma met with a painful accident in front of the school building while boarding an automobile. The auto passed over his leg just below the knee, and we were glad to know that no bones were broken.

Ione Barnett is limping around with a sprained ankle. Indoor baseball seems to be responsible. The grain is not very serious and she will soon be back in the game.

TORRANCE BAND

Several want to know what has become of the Torrance band. It seems that the members of the band have no place in which to practice. They are in need of a band stand. Mr. M. L. May offered the use of the lecture house on Carson avenue, stating that they would have to secure lighting facilities for evening practice.

LOMITA PLANNING BIG FAIR JUNE 10-11TH

Great Preparations Are Now Being Made For Coming Event By The School, Residents, And Business Men, To Have Magnificent Displays

Such keen interest is being shown in our proposed Lomita Fair that it seems a good plan to give a brief account of its purpose.

The Fair originally started as a Parent-Teacher Association endeavor, planned for the purpose of showing the people of Lomita what the school is doing. From that beginning it has grown until now the plans embrace not only the school but all the activities to be found in Lomita.

The Fair will take place on the school grounds, Friday and Saturday, June 10 and 11. On the first day the school will be open to visitors with specially arranged classes in progress and displays of drawings, writing, sloyd, etc. There will be a baby parade, athletic contests, an orchestra concert and a hot supper will be served.

Saturday is to be set aside for the final judging in the pig, calf and bee contests, and for a poultry show, prize-winning pet animal exhibition, truck gardening and fruit exhibit and similar events. There will be a continuous movie program and a boxing exhibition.

The Lomita Farm Bureau Center will stage an exhibit of their own. As the Bureau is rapidly growing in membership, their exhibits are looked forward to with great interest.

The members of the Parent-Teacher Association will produce a cook book made up of favorite Lomita recipes. This will be on sale at a reasonable price.

As further plans for the fair develop, they will be published in the Lomita "News Letter."

TORRANCE RELIEF SOCIETY

The Torrance Relief Society met Tuesday afternoon, May 3, at the Library. The election of officers was the first order of business, and each of the old officers were elected to succeed themselves. The following report was then made, covering the fiscal year, May 1, 1920 to May 1, 1921: Four families and twenty individuals rendered assistance; Aided in arrangements for burial and furnished funds for a second burial.

Cash, May 1, 1921.....\$ 18.47
Torrance Relief efforts.....\$359.38
Disbursements for year.....\$242.35
Amt. in Bank May 1.....\$135.32
1 Mortgage (asset).....\$ 59.00
(Due in 6 mo.)
Balance.....\$194.32

Mrs. P. F. Brown, president, extends hearty thanks to her fellow-workers for their support during the past year.

From the above report it is readily seen that some worthy efforts have been made on the part of the members, not generally realized by the public. It is of especial interest to know that most of the work has been done by five Torrance women, and they are anxious for others to join in their worthy cause. If five can accomplish as much, just see what can be done next year with a little more cooperation. When you get your invitation to attend the meetings of the Torrance Relief Society, (The first Tuesday afternoon of each month,) respond and be present—and help.

ANNOUNCEMENT

After having traveled throughout Southern California and having spent some time in Torrance studying conditions and possibilities here, I realize the wonderful opportunities that are in store here for the wide-awake business man—the man who has vision, who thinks for the people and of the people, and not alone of his pocket-book. It gives me great pleasure to announce the opening of "Casteel's Cut Rate Cash Meat Market" on Saturday, May 7th, in the Torrance Grocery, located in the Brighton Building, Torrance, better known as "The First Store in Torrance."

By selling for strictly cash I will be able to do three things:
First—Give you the benefit of my vast experience in buying.
Second—Give you prices that will startle you, to say the least.
Third—Pay cash for my purchases and not be obligated to any packing-house.

Quality will be the first consideration; but I shall buy from the packer, or packers, that will give me the best prices.

My "cut rate" price list will be out in a few days—subject to changes each week. By changes I mean this: When I can buy cheaper you can buy cheaper. My margin of profit is set for a percentage that is below the standard allowed by the United States government. And I want to tell you here and now that I am only striving for that percentage and no more.

You, dear housewives, are striving to save every penny you can. It is my desire to help you. Carefully compare my price list with the exorbitant prices you are now paying. If you can save on your purchases you can get that home paid for quicker; you can get that automobile, hat, dress, things for the kiddies, and many other things you desire, more quickly. If my help you save money, then do your conservative buying is going to you desire, more quickly. If my marketing with me. See that you are on my mailing list. Watch the newspapers each week for bargains. Phone me for price changes. Give me the opportunity and I will save you money.

Very respectfully,
W. T. CASTEEL.

He is happy whose circumstances suit his temper; but he is more content who can suit his temper to any circumstances.—Hume.

EVERYDAY GOOD THINGS.

A dish of onions in some form should be served at least once a week, and oftener if possible, in every family.

Stuffed Onions.—Parboil or steam six Spanish onions, or other choice even sized ones, one hour. Remove from the fire, drain and cut the centers from them; scoop out the onion to form a cup. Chop fine the onion removed, and pass through a sieve. Add an equal measure of finely chopped veal or chicken, cooked; salt, pepper and a teaspoonful of minced parsley, one-fourth of a cupful of soft bread crumbs, one-fourth of a cupful of butter and mix thoroughly. Put a spoonful of the mixture into each onion, then add a few nuts—chestnuts are especially good if blanched and boiled until tender. Bake slowly one hour, basting four times with melted butter and hot water. Fifteen minutes before removing from the oven add a spoonful of buttered cracker crumbs on top of each and brown. Serve with a thin cream sauce, or a white sauce made by using one tablespoonful each of butter and flour. When cooked add one cupful of milk and season with salt and pepper.

Delicious Cheese.—Rub the yolk of one hard-cooked egg to a paste with a tablespoonful of olive oil or butter. Add one teaspoonful of salt, one of made mustard, one of granulated sugar, and one-fourth of a teaspoonful of cayenne. Mix with this two cupfuls of grated cheese, and one cupful of chopped chicken. Press in a scallop shell and bake until the cheese is melted.

Strawberry Bavarian Cream.—Soften one-half package of gelatin in one-half cupful of cold water and dissolve in one-half cupful of hot strawberry syrup; add one cupful of berries pressed through a sieve, three-fourths of a cupful of sugar and the juice of half a lemon. Stir until the sugar is dissolved, then let chill on ice. When the mixture begins to thicken, fold in one and one-half cupfuls of cream beaten firm. Mold and serve cold, decorated with chopped pistachio nuts to be pretty, or other nuts may be used, and small marigolds.
