## EDISON DIVIDEND CHECKS ARE COMING

The directors of the Southern California Edison Company have declared the regular quarterly dividend on the Common Stock of the company, according to advices received by District Manager C. E. Houston today. The checks will be sent out to the local stockholders who reside in Torrance and Lomita on the 15th of this month.

This is the 45th regular consecutive dividend on this stock. In line with other large utilities of the country, Edison Company has recently increased the dividend rate from 7 to 8 per cent.

On the theory that the people residing in the territory served are entitled to be partners with the company in this project, the company has recently been selling large amounts of stock and now numbers over eleven thousand (11,000) stockholders, by far the largest part of whom are residents of Southern California and the San Joaquin Valley.
