GREAT RANCHO TO BE CUT UP

16,000 ACRE TRACT NEAR HERE
TO BECOME HOMESITE—PLAN
TO SPEND \$35,000,000.

A development project involving the subdivision of the historic Palos Verdes Rancho, a tract of 16,000 acres joining Lomita on the south, was made public yesterday by E. G. Lewis of Atascadero, who is to take over the ranch from Frank A. Vanderlip of the National City Bank of New York, the present owner, and subdivide it into some sites and small ranches. Mr. Lewis, who is president of the Atascadero Estates, Inc., stated that a preliminary estimate of the total cost of the project is \$35,000,000. The plans will include the construction of about 100 miles of concrete boulevards, the installation of water and sewer systems, shrubbery and ornamental planting to the value of \$500,000, as well as the planting of hundreds of private groves of avocados, olives, pomegranates, lemons and other fruits. Mr. Lewis, who supervised the subdivision of the big Atascadero ranch, is personally supervising the preparation of maps and plans for the subdivision of the Palos Verdes property.

The entire development is to be financed by Mr. Lewis, who, it is stated, now holds the property under option, and title to tracts will be released from escrow as fast as the land is sold.

The big ranch includes the greater part of the Palos Verdes hills, and comprises an area of twenty-six square miles, with fourteen miles of ocean frontage. Tentative plans for the development of the property include the subdivision of a large portion into fine country homesites, as well as small farms and ranches.

EMPLOY GOLD DUST TWINS

Several of Torrance's distinguished and prominent young men, whose names we wouldn't mention for any thing in the world, slipped away in the quiet hours of the morning last Monday for a dip in the surf at Hermosa Beach to wash away the remaining stains of Fiesta confetti. It seems that the commotion caused by tapping the lake of oil at the Santa Fe well west of Torrance caused it to flow out near the spot where these young gents were swimming, and they became covered with crude oil, of a high grade, however. The ordinary soap and both towels found at the beach would not remove the precious liquid, and at a late hour they returned to Torrance in a discolored state. It was necessary to use "Gold Dust Twins," "Sea Foam," "Lux" and "Rainwater Crystals" to remove the discoloration. Galvanized tubs, scrub brushes and even the boys' mamma's were commissioned to clean out their ears.

THANK "ENTERPRISE"

The Fiesta Committee wish to thank the editor of the "Enterprise" for the publicity so generously given our Fiesta. We would also extend our gratitude to all, both individuals and firms, who have helped in one way or another to put this our Third Fiesta "over the top."

FIESTA COMMITTEE.

CENTRAL EVANGELICAL CHURCH

Otto Spreng, Pastor

Sunday School at 9:30 a. m. Rev. Geo. Streiff, superintendent. The school is well organized into graded classes. There is a class and welcome for everybody.

Preaching at 10:45 a. m. and at 7:30 p. m.

Morning theme: "A Good Man Gone Wrong and His Return." Evening theme: "An Illustrious Penitent."

Choir rehearsal Wednesday evening at 7:30. Mrs. P. G. Briney, directing.

Thursday evening prayer meeting at 7:30. Mr. Spencer, leader. Good music is in preparation for all the services of this church. Folks who have recently taken up their homes in Torrance, and the strangers visiting for awhile in our city, are always accorded a hearty welcome to mingle with us in every call for worship.

Then here's a cordial welcome for all.

The Fess Grocery put into commission for delivery service this week a brand new Dodge screen delivery truck.

WOMAN'S CLUB MEET

A very interesting meeting of the Torrance Woman's Club was held Monday at the Dominguez lecture room. Very pleasing reports were heard from the committee in charge of the Fiesta booth.

The new chairmen of the standing committees gave each a brief outline of the future work of their committee, which was very interesting to all. The new chairmen are all getting into harness with such vim and enthusiasm which speaks well for all future work of the club.

Monday, September 12, will be the official opening of the new club year, and the chairman of the program, Mrs. Fitzhugh, is planning a program that will fairly outshine any the club has so far presented. This meeting will be a public meeting and everyone interested in the club's work is invited to attend this meeting. The following meeting's admittance will be by membership card only, unless otherwise stated. All future meetings will be held at the Legion Hall.

The Torrance Woman's Club wishes to thank all those who contributed so liberally to the success of their booth during the Fiesta.

THANK "ENTERPRISE"

The Torrance Choral Society wishes to acknowledge its great indebtedness to the "Torrance Enterprise" for all its assistance in the past season of called meetings and rehearsals for the Fiesta. Without such wonderful publicity we must have otherwise worked under a great handicap. To its editor and reporters we extend our grateful thanks.

ROYAL NEIGHBORS

On Friday of our Third Annual Fiesta the residents and visitors of our progressive city witnessed one of the largest and most widely represented parades ever held in a city this size. It was a parade that would be a credit and compete with any of its kind held in Los Angeles. The owners of private cars, as well as business men, took great interest and displayed beautifully decorated machines.

Special mention must be made of the first prize winners of the society section, the Royal Neighbors of America. Considering that this organization has only been organized three months, not too much can be said about their wonderful turn out. Their beautiful colors, purple and white, covered five cars. The Royal Neighbors have received many compliments from the people and other lodges for their efforts to help make the parade the best ever shown in Torrance.

Torrance welcomes you, Royal Neighbors, and is proud to possess such a worthy organization. May you keep up your good work and be as successful in the future.

The Royal Neighbors co-operate with the Modern Woodmen of America, and will be in their new hall soon, where they expect to have a good time. They have rented the Legion Hall for their meetings in the future, where there will be plenty of room to carry on their work.

O. E. S. BOOTH A SUCCESS

The Auxiliary Booth of the O. E. S. at the Fiesta was open for business on Wednesday evening and served each day following throughout the Fiesta. Many things were donated and the proceeds were close to \$100. Mr. Dynes of Torrance furnished a box of lemons from his Covina ranch.

Mrs. O. Moore of Gramercy avenue made the chili beans, which were in great demand before closing of the Fiesta. Mr. Hayden donated the melons from his Lomita ranch. The cakes and pies were also donated by members and some friends. The committee of this booth thank the public for their hearty support.

Vista Highlands was well represented Saturday at the Pacific Electric picnic at Redondo. Everyone reported having a splendid time.

Mr. T. Zamperino has been confined to his home for the past week on account of trouble with his eyes. While at work in the O. E. shops some acid got into them and causes the pain at times to become intense.

Mr. Ed. Pietzschke of Taft was the week-end guest of Mr. and Mrs. Chas. Stock.
