LOMITA CHURCH NOTES

The Sunday school registered another large attendance in all departments. The Bible class began again with the pastor as teacher. The class chose the Chandler as their car in the automobile contest. Adults, men and women, are cordially invited to join the class.

At the morning service attention was called to twenty-two new pictures added to the Cradle Roll groups. Eight infants and young children were presented for baptism. Their names are James Aber, Warren Aber, Robert Elton Aber, Frederick Bunge, Jr., Kenneth Duncan Bunge, Richard Warwick Carvill, Millard Laurentius Watson and Elizabeth McCaleb. The pastor's sermon was on Child Training. It was shown that this training should begin early—earlier than most people think. The mother is the first teacher, but the father has his part as well, and there should be teamwork in the home. The home, the Sunday school and the public school are the training schools of the future citizens of our country and the future workers in the churches.

In the evening the theme was: Shall the Eighteenth Amendment Be Enforced? Facts and figures were presented to show that prohibition was legally and constitutionally adopted by forty-five States of our Union and written into the Constitution. Those who oppose it or who seek to violate it are guilty of lawlessness and should be punished. President Harding said a year ago: "The liquor traffic was destructive of much that was precious in American life. In the face of so much evidence on that point, what conscientious man would want to let his own selfish desires influence him to vote to bring it back? In another generation I believe that liquors will have disappeared, not merely from our politics, but from our memories."

Next Sunday, Nov. 6, will be observed as Disarmament Sunday. The pastor will speak on the subject at the morning service.

LAUGH IT OFF

Are you worsted in a fight?
Are you cheated of your right?
Laugh it off.
Don't make tragedy of trifles.
Don't shoot butterflies with rifles.
Laugh it off.

Does your work get into kinks?
Are you near all sorts of brinks?
Laugh it off.

If it's sanity you are after
There's no receipt like laughter.
Laugh it off.
