ORGANIZE NEW BANK((From Lomita "News Letter")
"Lomita News Letter,"

Gentlemen:

Jonathan S. Dodge, State Superintendent of Banks, has given Dr. J. F. Spencer and myself permission to organize a bank in Ontario, California, with a capital of \$75,000 and a surplus of \$15,000, fully paid. It will require about two months to complete the organization. It is with much regret that I leave Lomita, but this seems an opportunity that I should take advantage of.

I certainly have enjoyed my work here among the good people, and will always remember it as a particularly bright spot in my life.

I shall retain some of my interests here and will come back occasionally to see you.

I am indeed glad to see your good periodical growing and bespeaks for it a very bright future. I shall expect to continue reading it, and this is your authority to put me on your mailing list.

With my very best wishes for the growth of Lomita, as well as yourself, I am,

Very sincerely yours,
A. J. STINTON.**AN ELEGANT SHOP**

Graves & Carlson, barbers, will soon move to their new quarters in the Post Office Block, opposite the Torrance Theatre. This is one of the best locations in the city and in a rapidly growing district. They will handle cold drinks, candy and tobaccos.

ANOTHER BOY SCOUT TROOP

((From Lomita "News Letter")

In order to correct wrong impressions regarding the "closed doors" of the Lomita Scout Troop, it was decided Monday night at a short session of the council to organize another Scout Troop to take care of surplus members. The law of the organizations says that each troop shall be limited to thirty-two members, and there are no exceptions to this rule unless special permission is obtained from Scout headquarters. It would take just as much preliminary work to obtain this special dispensation as it would to receive authority to organize another troop. There are fourteen boys now on the list who are eligible and they will form the charter members of Scout Troop No. 2 of Lomita.

Those in charge of Troop No. 1 wish it known that it was not their intention to bar any boy in Lomita from membership, but that they were following the law of the organization, and it was their suggestion that another troop was organized. Mr. C. H. Hatfield will have charge of Troop No. 2. See him for particulars.

Ways and means of raising money to finance the Scouts will be considered next Wednesday night, November 30, in Lomita Hall. You are invited to come out and assist in helping our boys. Better do this than pay exorbitant taxes, keeping up reform schools and juvenile halls and courts. It's the greatest movement in America today—the Boy Scouts.

PIE SALE A SUCCESS

The people of Torrance certainly responded in fine spirit to the pie sale given Wednesday afternoon by the Torrance Relief Society. The committee in charge were more than pleased with the large donation of pies from the ladies of the community.
