may be that the grand opening will
not take place until the middle of
next January or even February 1,

SHE BURNS MONEY ON CLOTHES

Here are two views of Mrs. Smith Wilkinson, who is acknowl-
edged as the best dressed woman in the world, and who is coming
to America shortly to show us what real gowns are. Mrs. Wilkin-
son started in life as a restaurant keeper in England. She and her
husband expanded the business into a chain of restaurants, then into
a chain of hotels, and they made millions. Her whole life now is spent
in buying things to wear, and wearing 'em at a cost of a million a
year. Her wardrobe contains hundreds of costly gowns, priceless
laces, gorgeous hats, diamond studded shoes and her strings of pearls
and rubies are a huge fortune in themselves. Some of her gowns are
so complicated in make and material that they take nine months to
complete.

GIVING RIDE TO WOMAN COST AUTOIS! \$204

Giving a ride to Mrs. Kathryn J. Chute and later having an
accident, in which the passenger suffered injuries, cost H. P.
Krohn \$204, according to a verdict returned recently in Judge
Hewitt's court in favor of the plaintiff, Mrs. Chute. The testi-
mony differed as to whether Mrs. Chute asked for the ride or
whether Krohn stopped and offered to give her a lift. She
charged Krohn with negligence and that he disregarded the signals
of the traffic officer at the crossing of Hollywood Boulevard and
Cahuenga Avenue, where the accident occurred.
