Dr. G. A. R. STEINER

Announces His Retirement
From Active Work With Vonderahe-Crowell & Steiner
Leading Realtors of Torrance

"Owing to the other duties which are commanding more and more of my time, I find it necessary to sever my active connection with the real estate firm of Vonderahe-Crowell & Steiner.

"In stepping aside and assuming the role of 'silent partner', I cannot refrain from bespeaking a word of confidence in my two associates who will continue the active management of the firm, Mr. L. M. Crowell and Chas. Vonderahe. In recommending these two able young men to my friends and patrons I am confident that they will serve you well.

"My association with Messrs. Vonderahe and Crowell has taught me to respect their judgment, and I know you will find them, as I did, men of unquestioned integrity, sound judgment, thoroughly experienced and enthusiastic to serve you.

"They will consult with me from time to time on matters which may concern you."

Sincerely,

Dr. G. A. R. Steiner
