Fashion Says--- "The Shoes Must Fit The Occasion"

The proper shoes are so vital a part these days of the costume that the utmost care should be taken in their selection. An ill chosen pair of shoes will "ruin" the smartest sport clothes; and it is equally important that the correct footwear be worn with the afternoon or evening dress. And when the shoes are well chosen, they add so much to the appearance.

There is so much satisfaction in buying your Shoes from Rappaport's, as you are always sure of getting a proper model. Our shoe buyer is always in close touch with the ever-changing fashion modes, and no matter whether you buy a smart sport oxford or a dainty evening slipper, you know that it is the last word in correct footwear.

WALKOVER Shoes for Women We have a splendid line of these nationally known shoes and slippers, including not only the conservative models, but the novelty creations as well. See them before you buy.

DOUGLAS SHOES FOR MEN

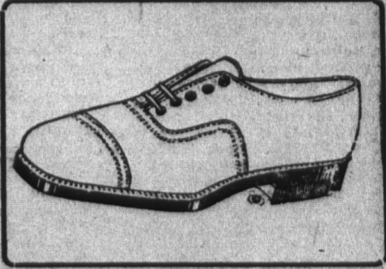

The first thing a man wants to know about a pair of shoes is "Will they wear well and be comfortable?" That's why we recommend the DOUGLAS Shoes for Men. They are made of the finest leathers and over the most comfortable lasts. And then, too, a Douglas Shoe is always in style. We have a Douglas to fit your fancy and your purse.

Men's sport shoes are still very popular. Better get a pair to wear with the white flannels.

French toes and English toes are quite the proper thing in both black and cordovan. We have them all.
