The Baptist Sunday school had a real old time picnic Monday, at Orange County Park, with plenty of ice cream for all, besides lots of other good things to eat that make a picnic perfect. Mose Tolson took one of his big trucks and two trailers, and eight other machines loaders, and eight other machines load ed with picnickers made the trip. About 100 attended.

LOMITA COMMUNITY CHURCH

"Religion the Need of the Indust-rial World," was the subject of the morning sermon from the text, "One is your Father, and all ye are Brethren."

Is your Father, and all ye are Brethren."

For centuries it has been taught and believed that force is the only power that can decide disputes between nations. That principle has been carried over into the industrial world. Hence we have strikes, and lockouts, accompanied by armed guards and deeds of violence. We have tried force, we have tried legislation, we have tried arbitration. Let us try religion, let us try the Golden Rule. Although in the third decade of the twentieth Christian century, we are still practicing the methods of the stone and iron age, Let patriotism subdue our angry spirits and religion help employer and employed to look on each other as brothers.

As a result of a civil service As a result of a civil service examination taken July 8, last, Miss Texanna B. Truitt, formerly of San Diego, and Miss Gladys V. Crossett, of Torrance, have been permanently appointed postal clerks in the Torrance postoffice, and Mrs. Margaret M. Hutchins of Torrance, has received the permanent appointment of substitute clerk in the same office. News of the result of the examination and the confirmation of the trio of clerks, was received last Tuesday by Postmaster Gourdier.

ier.

In speaking of the appointments, the latter said:

"All of the appointees are able and efficient and it will be a pleasure both to me and the public to have in this office such painstaking assistants."

The newly appointed officials were the recipients of numberless congratulations when the news of their appointments was made public.

FOR MUSIC LOVERS

Music lovers of Torrance and Lomita will be pleased to know that very shortly the Angelus Music House of San Pedro, that is commonly spoken of in that city as the "center of music," will get in personal touch with residents of this section.

Realizing that this vicinity is exceptionally well represented in musical talent, both professional and amateur, Mrs. Thomas, proprietor of the San Pedro musical emporium will have one of her expert demonstrators visit both Torrance and Lomita for the purpose of showing the superiority of the Brunswick phonograph over all other reproducing instruments.

While the price of these instruments is the same the world over, the Angelus Music company is enabled to give even better terms to reliable residents of this section than the Los Angeles music stores. In addition to phonographs, sheet music, and small instruments, Mrs. Thomas has just taken over the San Pedro agency for the Fitzger-

Thomas has just taken over the San Pedro agency for the Fitzger-ald Music Company's line of Ampico Knabe and other pianos, and her commodious store is now crowded with a variety of all instruments that makes a selection easy.

Compare These Tire Prices

Peggy Joyce came back from Europe a couple of months ago and brought a Rolls Royce with her. One of the first things she did upon arriving was to replace the tires that were on the machine for Falls Tires. There must be a reason, for its a cinch Peggy is not in the habit of buying glass diamonds or anything else that is not the very very best; therefore, you may judge for yourself what her opinion of Falls Tires must be. But she is not the only one. They say that thirty per cent of the Cads, Locos, Pierces and Packards in Frisco are rolling on Falls Tires. They are the heaviest tire made.

Cohuenga Pass

To be Lowered

About a hundred and fifteen members and friends of the Torrance Baptist Bible School went to Orange County Park, Labor Day, for their annual picnic.

They made the trip by truck and private machines. A very enjoy-able time was experienced by all who attended. A big lunch was served at noon and all were treated to lee cream cones and lemonade during the afternoon.

The day was spent in boating and playing games and the trip home in the moonlight was the happy ending of a day which will long be remembered by all who were there.
