Busy Season Ahead For Local Club

(Continued From Page One)

worked so faithfully upon the revision of the by-laws a written card of thanks.

As the State Federation has asked all clubs to hold a program to discuss the measures to come up at the next election of which there are about thirty and the difficulty there seems to be to obtain speakers upon these measures who can spare the time to come to Torrancia, the club accepted the invitation of the Woman's Club of Hermosa, to attend their meeting on October 9, when these measures will be discussed. Every member of the Woman's Club of Torrancia, who possibly can is urged to attend. The meeting is held in the Bank building at the entrance to the pier and will commence at two o'clock. Mrs. Parks was appointed to look after the transportation. It was also urged that every member of the club be sure and register, so as to be able to vote at the coming election. The club voted to hold their meetings at the McKinley Inn on Cota avenue, temporarily and to begin at 2:30. The president stated that she would call the club to order promptly at the time mentioned regardless of the number of members present.

In regard to the establishing of a branch of the Mother's Educational Center in Torrancia, the club voted that as the Parent-Teachers Association of Torrancia is helping to support the free clinic in San Pedro, to which any Torrancia mother is welcome, they did not think Torrancia needed the free clinic at this time.

The chair shower which was to have been held was postponed until a further date.

The club then adjourned to meet on Monday, October 16, at 2:30 p. m. at McKinley Inn.

The public may be interested to know the names of the officers who are to serve the Woman's Club for the year 1922-23. They are Mrs. Frank Sammons, president; Mrs. J. M. The Torrancia Herald received a beautiful bouquet of dahlias from Mrs. J. M. Stevenson, who had picked a choice bunch of the flowers from her flower beds Saturday morning. The colors were the richest and brightest we have seen this year. These flowers were raised from the seed.

BUSINESS SUICIDE

The man who stops his little 'ad' is but a blooming chump, dead! Because his advertisements tell the public what he has to sell, and if his 'ad' is not on deck, the people pass him up, by heck! For none

of them will hesitate to trade with people up to date. To stop your ad, we would remark, is just like winking in the dark—you may know what you mean, but gee! nobody else can ever see! So do not for a moment think that when you cut out printer's ink you're saving money on the side; 'tis only business suicide.
