Open Wednesday**

The Meinzer Catering Co. announce the opening of the Ferncroft Cafe next Wednesday evening, May 30, presenting to the public one of the most up-to-date restaurants, soda fountain parlors, delicatessen and bakery departments in this section of the country. Mr. Meinzer chose for his location one of the ground floor rooms in the new Masonic Temple and has installed new fixtures, floor coverings and wall decorations that are entirely in keeping with the character of the building as well as a high-class trade that he has always enjoyed in Torrance.

Further details of the opening will be found in next week's issue.

**BUY TWO DAYS' RATIONS**

Memorial Day comes Wednesday, May 30, and as most of the stores will close that day, it will be necessary for our readers to carefully scan the advertisements in this issue and select their needs for this day.

It should be made a policy by everybody to read the ads every week as well as the news. The merchants spend money to convey this news to you and it is of the utmost importance to read every advertisement.

**ORDERS SPECIAL BATTERIES**

Tolson Transfer Company last week and is having the Willard Battery Company make them. Harvel states that the special batteries will have a capacity of 140-hour service. Three of them have arrived and are now being used by Tolson. This again shows "service," which is made a feature at this establishment.

**NEW SOLID TIRE PRESS**

Fred Palmer, proprietor of the Torrance Truck Tire Service, is installing a solid tire press in the wing of his building facing Border avenue.

Since his vast expenditure for solid truck tires he was compelled to install the tire press in order to take care of the large truck business that he has contracted. When the press is installed and an invoice is taken on its cost and the amount of tires purchased, Mr. Palmer will have expended from \$15,000 to \$20,000.

Los Angeles; Get  
Stolen Goods**

They were placed in jail and later turned over to Los Angeles authorities. It was thought at the time of the arrest the men might have been implicated in the robbery here of the Smart Shop, but after investigating it was found that they were wanted for the Los Angeles robbery.

**BARN DANCE**

The Women's Club of Torrance has posted the city with placards announcing a dance to be given in the Torrance Warehouse Friday evening, June 1, and extend an invitation to everyone to join them in having a glorious good time. You do not need to dress up—just come in your comfortable clothes and join in the merriment. Bush's orchestra from Los Angeles will furnish the music. This, in short, tells the whole story.

**THE TRUTH ABOUT SPINDLE TOP**

It lays between Harvard boulevard and Normandie avenue and fronts on the East boulevard and is about one thousand feet northeast of the Peterson-Barker "wildcat" well. It is a part of Tract 4933. It is about one-quarter of a mile east of the city limits of Torrance.

The lots are twenty-five feet by one hundred and thirty-five feet and the majority of them sell for \$600 each. Full oil rights go with every lot. Acreage just across Normandie avenue from Spindle Top is priced at \$6000 per acre. The lots are being sold on the very easiest payment plan of any in the vicinity of Torrance. Here is a wonderful opportunity to invest a few dollars which we think will make you hundreds and possibly thousands.

**LARGE CROWD AT OPENING**

The new Golden West Cafe opened its doors last Monday and the total seating capacity of twenty-seven seats were filled by the hungry throng at the noon hour and re-taken by later patrons, before everyone who attended the opening was properly fed and satisfied.

The fact that the proprietors were unable to get sufficient help caused delay in serving, but all the customers realized this, and everyone was more than pleased with the eatables served.
