GOLF COURSE FOR CEDARPINES PARK

Cedarpines Park, a subdivision in the San Bernardino Mountains, is being made into a playground. Much development work is being carried forward under the direction of C. J. Anloff and the golf course, tennis court and dance pavilion are rapidly nearing completion. The golf course, it is claimed, will be the highest in altitude of any in California.

The large dance pavilion and the tennis court will be completed within a few days, and it is expected that work on a large plunge will start within a week. A commodious log cabin is being refitted for use as a community club house and back of the clubhouse will be constructed the children's playground with swings, slides, sand boxes, see-saws, merry-go-rounds and other features that delight the youngsters. The tennis court is being surfaced and should be ready for play by July 1.

The Mutual Water Company supplying the water to owners of cabin sites in Cedarpines Park, has completed the laying of approximately three miles of pipe and will be ready to tap the line within ten days.

Many property owners are building rustic cabins and it is expected that before the summer is over between 400 and 500 cabins will be built. Mr. Anloff reports several hundred sales of cabin sites in the past few weeks, a number of them being made to Torrance and Lomita people, through the office of H. D. Pottenger, District Manager, 110 First National Bank Building, Torrance.

The property is unique in that it is completely surrounded by government land in the forest reserve and while it is included in the boundaries of the reserve, it is patented land and does not come under government restrictions. The surrounding area in the Forest Reserve furnishes wonderful opportunities for the hiker, fisherman and hunter, with alluring trails leading through grounds of stately pines and over rocky cliffs.

The property is three and a half hours' drive from Los Angeles. The route takes one to San Bernardino over the Foothill boulevard, thence up Waterman Canyon, along the Rim of the World Drive to Crest, where the state highway is left for a good county road, leading two miles westerly to the property.

CLIFFORD MOE WINS WHEEL

Clifford Moe, 1906 Plaza del Amo, was declared the winner of the bicycle given away by the Paige Quality Grocery Saturday.

Clifford received 4420 votes, James McLean came next with 3360 votes, and Elliott Cowan ran third with 2810 votes.

Mr. Paige conceived the idea of giving away the wheel to the boy or girl who sold the most pounds of Craig's coffee to the housewives of Torrance. On each pound of coffee sold the contestants were given a number of points. Mr. Paige is well pleased with the idea and contemplates other ideas to sell goods in his lines, in the near future.

P. E. SPARKS

Mr. and Mrs. R. Tenell of McFadden, Wyo., were week-end visitors with Mr. and Mrs. J. T. Wells, 1328 Amapola avenue, before moving into their new home in Long Beach.

Mr. and Mrs. F. P. Lewis and Mrs. Knapton spent Sunday afternoon with Mr. and Mrs. McKim, Olive street, Walnut Park.

Mr. and Mrs. F. T. Cleveland of Santa Ana are recent arrivals in Torrance and have located on Amapola avenue and 214th street.

Mrs. J. T. Wells of Amapola avenue entertained at luncheon Wednesday a number of guests from Glendale and Santa Monica in honor of their house guest, Mrs. H. M. Wells, of Casper, Wyo.

Mr. and Mrs. S. E. Rose, 1327 Amapola, left Wednesday for a two weeks' vacation, and are motoring to Yosemite, Big Bear Lake and Perris.

John S. Sauter, 1317 Amapola avenue, left Wednesday for Philadelphia, where he expects to be united in the happy bonds of matrimony to the "girl he left behind." The bride and groom will return about the first of September to reside in Torrance. Congratulations, John.

Mr. and Mrs. Herbert Black, 1314 Amapola avenue, are spending the week at Big Bear, where Mr. Black is erecting a cabin. We hope the change of altitude will be beneficial to both.

Mrs. Chambers of 1303 Amapola avenue is visiting in Hollywood.

Mr. and Mrs. J. T. Wells of 1328 Amapola avenue are enjoying an extended visit from their son's wife, Mrs. H. M. Wells, and her daughter Dorothy, of Casper.
