### GOOD TIME IS ASSURED FOR FEBRUARY 14

#### Legion and Auxiliary Dance Set For Valentine's Eve.

On Thursday evening, Feb. 14, the annual St. Valentine's ball will be staged by the American Legion and its Auxiliary.

Everyone knows when the American Legion and Auxiliary announce a dance that there is a good time in store for them, and the committee promises this will be the biggest and best ever.

Music will be furnished by McVea's "Howdy Band," the same band who entertained at the annual Chamber of Commerce meeting on January 7.

There will be card tables set in a comfortable cozy corner for those who do not care to dance, also vaudeville and many surprises.

The price is one dollar per couple, extra ladies free. The place is, of course, Legion hall, and the benefit, as usual, is to swell the fund of these two organizations which care for distressed and needy ex-service men and their families.

**INCOME TAX SERVICE**

Income tax reports are now being prepared by Ben A. Hill, with offices at suite 9, Bank of San Pedro building. He has been rendering income tax service for seven years to all lines of business, partnerships and corporations, and has always enjoyed a large clientele in this profession, is well known and highly regarded in all circles in this vicinity.

Mr. Hill does auditing, accounting and preparing income tax reports ready for mailing.

Information and advice will be given to anyone, cheerfully and without charge. He has a sufficient supply of forms for anyone desiring same.

**NEIGHBORHOOD SOCIAL**

The "Be Neighboring Social," which, through a mistake, was advertised in Friday's Herald for last Friday evening, will be held in Central Evangelical church next Friday evening, Feb. 1. This affair is in no wise limited to the members of this church, but is intended as a neighborhood affair, to which everybody is invited to come and bring a friend. There cannot be any "wallflowers," for the committee in charge will see to it that everybody gets acquainted with everybody else before the evening is over. There will be a good sing of old songs and plantation melodies. The men's quartet will delight as usual. There will be readings, and proper games. The state having the largest delegation will be rewarded. There will be eats, of course. Good fellowship throughout.

Are you homesick? Come and get over it. If not homesick, come and cheer the fellow who is.

It's all free, gratis, for nothing. This Friday night.

### BIG MYSTERY FILM COMING FOR 2 DAYS

#### "The Acquittal" Shows At Torrance Thea- tre Thurs. & Fri.

Realism, aided by newspapers and an arm of the law, marked every stage of the filming of "The Acquittal" at Universal City, when the massive super-Jewel production, with an all-star cast, headed by Norman Kerry and Claire Windsor, filmed the celebrated Rita Weiman Broadway play. The remarkable picture will be shown Thursday and Friday at the Torrance theatre.

Scenes of famous trials from many cities, borrowed from newspaper "morgues," were used to guide every step of designing the huge courtroom set and the action of the players in the trial scenes. Charles Furthmann, former deputy district attorney of Chicago, sat with Clarence L. Brown, the director, through all stages of the filming to act as adviser on every point of legal conduct.

The play, one of the most remarkable mystery stories of the decade, even had the actors guessing. The secret of the guilty party in the remarkable story was not divulged to even the cast until Brown commenced photographing the final scenes. Norman Kerry asked daily "What becomes of me in this?" Audiences will guess just as the actors did. As a suspense-getter it superseded even "The Bat" in its stage version.

Attend the Legion-Auxiliary Dance and Card Party Feb. 14 at Legion hall.—Adv.

THE UNIVERSAL CAR

## Forecasting A Tremendous Spring Demand

### 739,626

more Ford cars and trucks were produced last year than the previous year, an increase of over 50 per cent.

In spite of this tremendous increase in production, it was impossible to meet delivery requirements during the spring and summer months when orders for 350,000 Ford Cars and Trucks could not be filled.

This year winter buying for immediate delivery has been more active than ever before—and in addition 200,000 orders have already been booked through the Ford Weekly Purchase Plan for spring delivery.

These facts clearly indicate that the demand during this spring and summer will be far greater than ever, and that orders should be placed immediately with Ford Dealers as a means of protection against delay in securing your Ford Car or Truck or Fordson Tractor.
