APRON SALE MAY 16

In Friday's paper we told you there would be aprons, fun and eats for everybody, and now we'll tell you why we have to make money. We have a new church, as a great many of you know, and we, the Ladies' Aid society of the Community church, subscribed \$1250 and are paying \$46 a month. Now we thought a good many of you folks would like to help us pay this, if you knew about it. So we made a lot of tiny aprons, with tinier pockets to put your money in after measuring your waist, 1 cent an inch. Cheap, isn't it? If you do not receive an apron in advance, just come to the social hall the night of the 16th and the committee will measure you and you'll be given your apron with the tinier pocket to put your money in. Say, folks, bring all the fat people you can, so as to even up on the skinny ones. Don't forget Friday night and the good time you'll have at the Community church social hall.
