OLFERS!—Palos Verdes offers you California's most picturesque and sporty Golf Links as one of the privileges you will enjoy as a resident of the New City. You will have the finest and the only all-grass 18-hole seaside links on the coast between Del Monte and San Diego -you will have magnificent, wide, grass fairways—perfect natural hazards—a superb ocean view from 14 greens—the use of a \$60,000.00 Club House — all this will be yours when you are living in Palos Verdes.

ciation is looking or a place to stage a coming Naional Amateur Championship alos Verdes is the place. Golfing ilgrims go to St. Andrews to play for famous 'road' hole; others visit for Berwick to see the 'Himalaya' los, and the 'Alps' on the old Prestvick hts--now we shall expect them to come to to see and play both the fourth

in golf course construction. We do not hesitate to say that it is certain to be the site for future national competition. Palos Verdes is a course that will test the skill of the greatest golfers in the land. Every hole is a reaure hole, and most links have but

Other residential communities have Golf Courses —Los Angeles is already well favored in this direction—but it has fallen to Palos Verdes to develop, from natural hazards, the ideal 18-hole links. Links that golfing enthusiasts have compared with internationally-known courses.

Here every hole is a feature hole that will test the skill of the greatest and yet be within the possibilities of the average player. A course originally designed by nature, improved and developed by Golf Architect Billy Bell and dedicated by the Palos Verdes Project for the residents of the New City by the Sea.
