A picture five million persons have been anxiously waiting to see is scheduled to be presented at the Torrance Theatre next Wednesday and Thursday. It is the screen version of "Chickie," Elenore Meherin's sensational newspaper serial novel, which was published by newspapers throughout the country

and which, it is estimated, has been read by five million newspaper readers.

An all-star cast, headed by Dorothy MacKaill in the title role, contains names that are well known wherever pictures are shown. In this cast are John Boers, Hobart Bosworth, Myrtle Steedman, and Gladys Brookwell.

Marion Davies Coming to Lomita

MARION DAVIES in "ZANDER THE GREAT"

Jack London's "Adventure," also "Freckles" Warde of Sunshine Comedy, included in this week's bill.

Friday and Saturday brings Jack London's "Adventure" to Lomita. "Adventure" is a story of the Solomon Islands of the South Seas and of the cannibal head-hunters with which they are inhabited. Featured in the cast are Tom Moore, Pauline Starke, Wallace Beery, and Raymond Hatton.

Miss Janice Sprague, the oriental and Persian dancer, who will hold you spellbound; Vera Webster and Geo. "Freckles" Warde, the "California Sunshine Kids," who do big things on the stage; Mason and Wood in their comedy skit, which is supposed to represent a scene twenty years from now in "The Tryout"; and Gene Gordon, the knockout female impersonator, together with "The Little French Girl," which comes here for one day only, next Sunday, with Alice

Joyce, Neil Hamilton, Mary Brian and Esther Rayston, make it a knockout bill for that day. Warde is known on the screen in Sunshine comedies as one of the best juvenile actors on the stage today. He just completed two weeks at Grauman's Rialto and one week at Chotiner's Ravenna.

Monday comes around again with the wonderful Country Store night, with the adult contest, prizes and gifts, and groceries; and, on the screen, Pete Morrison with the wonder horse "Lightning," in "Santa Fe Pete."

For two days only, next Tuesday and Wednesday, Marion Davies in "Zander the Great" comes to this theatre. This picture needs no introduction. It's the best one that Miss Davies ever played in.

Next Thursday, for one day only, will be shown the picture of the trip Balto made to Nome, Alaska. Alaska Jack with his German police dogs, in their skit, will make their personal appearance on this date. Also Harry Carey in "Beyond the Border."

"Daddy's Gone a-Hunting" Well Worth Your While

Percy Marmont and Alice Joyce in "DADDY'S GONE-A-HUNTING"

A powerful story and a remarkable cast make "Daddy's Gone a-Hunting," the Metro-Goldwyn picture which is playing Sunday and Monday at the Torrance Theatre, one of the finest motion pictures ever shown here.

Percy Marmont plays the role of Julian, the restless artist who goes a-hunting, and Alice Joyce will delight her countless admirers as Edith, Julian's self-sacrificing wife.

Color is furnished by the lavish luxury and daring of the Polles Bergeres in Paris, in which hundreds of beautiful dancers appear, and in the many studio parties which Marmont, Ford Sterling as Oscar, and Helena d'Algy as Olga, stage.

'Please Get Married' Is Attraction at Mission Theatre

One of the most brilliant and amusing comedies ever presented by the Charles King Players is "Kempy," the attraction at the Mission Theatre this week, and it is also proving one of the most popular.

"Kempy" combines the type of human appeal which made "The First Year" such a wonderful play, with a dash of the happy nonsense that was prominent in "Just Married." It has everything that either of those great plays possessed, and is unquestionably one of the most satisfactory offerings that has come from Broadway in years.

Following "Kempy," the King Players will offer "Please Get Married." It is a bedroom farce which has to do with the affairs of two young people who thought they were married and went to a fashionable resort hotel for their honeymoon. The scene in the bridal chamber is said to be one of the most uproarious ever written into any farce-comedy.

"Kempy" is the attraction at the Mission all this week, with performances every night, and matinees Wednesday and Saturday. "Please Get Married" will open its engagement with the matinee of Sunday, June 23.

The Story of the Big Tough Chicken and the Red Wheel

Once upon a time there was a big chicken that had lived so long that his owner decided he was good for nothing but to crow and eat corn. But one day there was delivered at the owner's house a new gas range that had attached to the side of the oven a little RED WHEEL. With the new gas range came a direction book that told how the little red wheel could be used to make the toughest kind of meats sweet and tender, when cooked in the oven with the red wheel. So, the owner killed the big tough chicken and baked him in the oven. And lo and behold! The whole family, from grand-daddy with his false teeth to Audrey who didn't even have all her first set, proclaimed the big tough chicken to be the best meat they'd ever enjoyed.

Come in today and see these wonderful ranges at the office of the

SWEEPSTAKES OF THE LOS ANGELES-YOSEMITE ECONOMY RUN WON with ZEROLENE

The Los Angeles-Yosemite Economy Run of May 22-23—the ranking stock car event of its kind in the United States, gave motordom new official mileage records to vie for—and another, impressive victory for Zerolene!

The Rollin, lubricated with Zerolene, carried off the sweepstakes—winning the award for the highest efficiency and gasoline economy established in the run. Piloted by Joe Bozzani, the Rollin's gasoline economy record for the 360 mile run from Los Angeles into the Sierras to Camp Curry was 27.43 miles per gallon of gasoline.

When Zerolene brings in the Sweepstakes Winner of the most competitive motoring event of the year—when it is the choice of more motorists in the Pacific Coast states than any other oil made—won't it pay you to use Zerolene—a better oil even if it does cost less?

STANDARD OIL COMPANY

The Rollin and all other cars in the run used Red Crown gasoline exclusively—the best buy in town—by MILES!

Why pay tribute to a superstition?
