Rappaport's To
Remodel Store
After Big Sale

All Departments Will Be En-
larged; Millinery
Added

Plans were approved this week for extensive alterations of Rappaport's Department Store, which will almost double the women's and children's ready-to-wear departments, according to an announcement by Sam Rappaport.

The recent removal of the D. C. Turner shoe repairing shop and the discontinuance of the furniture department will make room for a millinery section and the enlargement of all other departments of the store.

"It has always been the policy of the store to keep ahead of the community," said Mr. Rappaport, "and the rapid development of the industrial area in Torrance will soon justify the kind of a store which we will provide."

"We have made large purchases of women's ready-to-wear, millinery, children's wear and clothing, piece goods, and men's and boys' clothing, as well as substantial additions to the stock of men's, women's and children's shoes. As soon as the remodeling is completed and the new fixtures installed, we believe that Torrance will be as proud of our store as we are," continued Mr. Rappaport.

Arrangements have been made with the Weber Showcase Company of Los Angeles to install several thousand dollars' worth of new fixtures to harmonize with the other fixtures of the store, and the actual remodeling will be started on November 22.

In order to make room for the workmen who will install the new fixtures, Rappaport's will stage a sensational remodeling sale. The sale is scheduled to start on November 13 and will last one week only.

"It has never been the policy of our store to run sales," said Mr. Rappaport, "but in this case there is only one way out. We must make room for the workmen who will remodel the store, and we will sacrifice our profits in order to provide space for the new goods, soon to arrive. Full details of the great remodeling sale will be found in next week's Herald."
